GRADUATE AND ADULT STUDENT HANDBOOK
2017–2018
Dear Adelphi Student:

It is my pleasure to welcome you into the Adelphi University family. You are joining a distinguished community of students, faculty and staff and an alumni community of more than 100,000 across the state, country and globe.

We have prepared this handbook to help answer the frequently asked questions which adult and graduate students have when getting started as an Adelphi student. However, I understand that, like many of our students, you are balancing both school and life demands and there may be matters unique to you that we have not addressed here. Our commitment to excellent service is a point of pride for our staff, so please do not hesitate to ask for our help by calling 1.800.ADELPHI (233.5744).

Once again, on behalf of the faculty and administration of Adelphi, I welcome you to Adelphi University and look forward to meeting you.

All the best,

Christine M. Riordan, Ph.D.
President

INTRODUCTION

Welcome to Adelphi!

As a new graduate or adult student, please know that the University is committed to assisting your transition to this exciting education experience. Whether you are attending the main campus in Garden City or your classes are held in one of Adelphi’s learning hubs in Suffolk County (Hauppauge and Sayville), Manhattan Center or at the Hudson Valley Center—or perhaps your classes are online—we welcome you to the Adelphi community of scholars.

This handbook was developed with the graduate and adult student in mind. We hope this resource will help guide you through your studies at Adelphi University. As no handbook can be completely comprehensive, follow the links for additional information and visit adelphi.edu for current details.

In addition to the Graduate and Adult Student Handbook, many graduate programs have specific handbooks or similar resources to guide you. A complete list of the contacts for Adelphi University graduate programs is included on the next few pages. Contact your graduate program for resources available to you.

For College of Professional and Continuing Studies (CPCS) students, there are also specific guidelines for your adult experience in this program. To assist adult students seeking to begin or complete their undergraduate degrees, CPCS offers personalized academic advising, an adult-friendly admissions process and credit for work and experience. These services, plus high retention and graduation rates, are all hallmarks of the CPCS experience.

Additional information for all students is available in various Division of Student Affairs publications, particularly in the Guide to Student Life. Visit students.adelphi.edu/handbooks to access online copies of these publications.

Academic information can be accessed at catalog.adelphi.edu.

ACADEMIC SERVICES
AND RETENTION

Nexus Building, Room 145
academic-services.adelphi.edu

516.877. 3150
Email: oasr@adelphi.edu

Hours: Monday–Thursday, 8:30 a.m.–5:00 p.m.;
Friday, 8:30 a.m.–4:30 p.m.
Summer, winter break and when classes are not in
session, 8:30 a.m.–4:30 p.m.

The Office of Academic Services and Retention
(OASR) is dedicated to helping each student realize
his/her full academic potential. It does this by
monitoring all academic standards and procedures,
as well as providing students and faculty with the
information they need to make informed decisions.
Students must give thoughtful consideration to
their academic and personal goals, leading them to
take responsibility for their academic choices and
decisions.

Among OASR’s responsibilities are:
• Monitoring academic standards and
  procedures
• Providing students and faculty with the
  information they need to make informed
  academic decisions
• Sponsoring and coordinating independent
  undergraduate research projects with
  Adelphi faculty members
• Overseeing the Early Warning System,
  a system for professors to alert students
  about academic problems or concerns in
  their courses in the first half of the semester

ACADEMIC ADVISEMENT

Academic Advisers

Academic Advising is central to the educational
mission of Adelphi University. Advisement is a
continuous process that begins with first semester
registration and culminates in graduation. It
challenges and supports students as they examine,
determine and achieve their educational goals,
and encourages students to take ownership of their
intellectual journey.

Adelphi undergraduates have many sources for
academic advice—faculty advisers, academic
advisers in the offices of the deans of their School,
and the Office of Academic Services and Retention.
Every student that enters Adelphi is assigned an
academic adviser, and each full-time member of
the faculty holds a minimum of six office hours
per week to serve the interests of students and
to provide full and accurate academic advice. In
addition, there is the Office of Pre-Professional
Advising and Fellowships to counsel students
who are interested in pursuing law, medicine,
engineering, etc. (see below).

While all students must have their schedule
approved by their adviser before they can register,
course selection is just one part of the advising
process. Understanding how a student will develop
as an educated person is an essential part of an
adviser/advisee relationship.

For additional information, visit
adelphi.edu/advise.

Students in the College of Professional and
Continuing Studies (CPCS) who do not have
an adviser should contact the CPCS office at
516.877.3412 or visit cpcs.adelphi.edu.

Undergraduate students must declare a major when
they reach 60 credits. If you do not have an adviser
and have declared a major, contact your major
department.

Graduate students should contact their academic
department and meet with the adviser for guidance
on course registration and requirements.

PRE-PROFESSIONAL
ADVISEMENT AND
FELLOWSHIPS

prepare.adelphi.edu

The Office of Pre-Professional Advising and
Fellowships provides support and individual
advising for current students and recent graduates
who are seeking admission to professional
school beyond Adelphi in the areas of dentistry,
engineering, law, medicine, optometry,
pharmaceutical studies, physical or occupational
therapy, podiatry and veterinary medicine.

A strong liberal arts and sciences education is the
best preparation for professional careers, including
law and medicine. Students contemplating or
planning to pursue careers in law and the health
professions can receive guidance from pre-
professional advisers established for this purpose.

In addition, the office can assist in the application
process for fellowships that require institutional
support, and can provide information and assistance on locating funding opportunities for post-Adelphi study.

In addition, the office has developed several early decision/joint degree programs with schools representing many of these professions that can provide an easier transition to specific graduate schools.

**COURSE REGISTRATION**

Registration is the process by which the Office of the University Registrar certifies the enrollment of students in courses of study and verifies their right to use the University’s available services. To access registration information, and to register for courses, log in to ecampus.adelphi.edu and access CLASS via the Services tab.

The Directory of Classes can be found online. Click on the link for online course search to search for courses by semester. You can also go directly to adelphi.edu/course to access a course search.

There is a registration schedule according to the number of credits earned. The Course Listing, Advising and Student Service (CLASS) system will allow you to select your courses and submit your registration at your appointed registration time. Important information regarding registration as well as graduate registration dates and times can be found at adelphi.edu/grad-reg.

For specific semester dates and deadlines, refer to the University’s academic calendar at adelphi.edu/calendar.

**INDEPENDENT STUDY**

The purpose of independent study is to pursue an academic interest not adequately covered by the regular course offerings. Students must register for independent study during the regular registration periods and never later than the last day to drop courses. Each College and School has separate requirements concerning independent study. Information concerning these requirements is listed by School. Independent study may not be taken Pass/Fail.

**ACADEMIC PROCEDURES**

**Adding Courses**

Students who wish to add a course to their program after they have processed their initial registration can add the course using the CLASS system until the deadlines stated on the academic calendar. Students are advised that there is a fee for adding courses and that there may be additional tuition charges.

**Dropping Courses**

Students who wish to drop a course from their program after they have processed their initial registration can drop the course using the CLASS system until the deadlines stated on the academic calendar.

Students are advised that there is a fee for dropping courses. Dropped courses will not appear on the transcript. Students should be aware that their status as a full-time student will be affected by dropping courses if their resulting credit load is less than 12 credits. It may also affect their financial aid.

**Unfinished Coursework**

The designation “I” (Incomplete) will be issued when the student has not completed the course requirements by the end of the semester and has obtained permission from the instructor to take additional time to complete the coursework. The incomplete designation “I” may be used by instructors only if a student has been excused from the completion of course requirements because of illness or other exceptional, compelling circumstances. Students may have no more than twelve (12) months after the end of the semester in which the grade was given to resolve Incompletes. Unresolved Incompletes convert to “F”的 after this time. This then becomes the final grade.

**Withdrawing From Courses**

Withdrawals from courses are possible after the deadline to drop courses but no later than the ninth week of the semester, the third week of a summer term or the second week of a one-month term. Students who wish to withdraw from a course must complete an Action Request Form, obtain appropriate signatures of academic approval and process the form in the Office of the University Registrar by the deadlines stated in
the academic calendar. Withdrawals from courses appear on the transcript as a “W”. Nonattendance in a course does not constitute an official drop or withdrawal from a course. The student’s failure to drop or withdraw properly from a course does not preclude the instructor from submitting a grade for the student on the basis of the work previously submitted.

Withdrawal for Medical Reasons

Students requesting a withdrawal from the University because of medical reasons must submit the appropriate medical documentation and a letter requesting a medical withdrawal to the Office of Academic Services and Retention. This must be done during the semester for which the leave is requested. Students approved for Medical Withdrawal might have a credit posted to their account to be applied toward future semesters. All unused credit will be forfeited after one year of issuance and tuition and fee charges will not be refunded. Students who withdraw from the University for medical reasons will be dropped from all of their courses. Students wishing to return after a Medical Withdrawal must submit medical documentation clearing them for return to the Office of Academic Services and Retention. Adelphi University retains the right to obtain supplemental medical information. For medical withdrawal instructions, visit academic-services.adelphi.edu/forms.

Medical withdrawal dates:
- Fall 2017–November 13
- Spring 2018–April 10

Any student requesting a medical withdrawal for the fall semester must have it submitted by November 13, 2017.

Academic Petitions

Academic regulations are established by the University to maintain and enforce academic standards, and are rigorously adhered to. Petitions are requests for an exception to an academic rule or deadline, and are only granted under special and unique circumstances. Any student has the right to petition to waive a regulation. The University similarly has the right to disapprove any petition on the grounds that the circumstances are not compelling enough to warrant an exception to the established regulation.

After consulting with your adviser, you must file your petition with the dean of your school. Undeclared students should file through the College of Arts and Sciences. The request must be in writing and you must document the extraordinary circumstances that necessitate the petition. The dean may approve or deny the petition, after which it is forwarded to the Associate Provost for Academic Affairs for a final decision. Any student petition for retroactive action must be submitted within one year.

For specific contact information of academic departments, please visit adelphi.edu/petition.

ACADEMIC SUPPORT SERVICES

To support classroom studies, students have available online and in-person support services. (See the Support Services section for information about the Student Access Office, Support Services, Information Technology, the Learning Center, the Writing Center and Swirbul Library.)

Adelphi University Mentoring Program

The Adelphi University Mentoring Program was created to help ensure academic success. Open to all students at any phase of their undergraduate career, but ideally within their first year, the program was designed to help students of color, LGBTQ+ students, veteran students and students who may be the first in their families to attend college and to fulfill their highest potential through academic, social and professional development with the guidance of a mentor. There is no GPA requirement and students qualify by being a current/active (fully registered and taking classes) undergraduate student. On a case-by-case basis and based on mentor availability, graduate students may participate as mentees. For next steps, which include an application and orientation/training, students should contact the director and trainer of student mentoring at adelphi.edu/mentoring or 516.877.3182.

Bridges to Adelphi Program

Earle Hall B, Lower Level bridges@adelphi.edu 516.877.4181

The Bridges to Adelphi Program offers comprehensive individualized, academic, social and vocational support services for Adelphi students who self-disclose with diagnoses of autism spectrum disorder, or other nonverbal learning disorders.
The Bridges Program, which is a fee-based program, helps students transition from high school to college by maximizing their areas of strength and creativity; and then helps them to understand how to get on the road to college success.

Because Adelphi prides itself on its diversity and inclusivity, the Bridges Program promotes awareness and understanding on campus through trainings and collaborations with University clubs and organizations, faculty, staff and students, and in the community through educational, social and vocational collaborations.

For details visit, bridges.adelphi.edu.

GRADUATION REQUIREMENTS AND DEADLINES FOR FILING

Graduation
All students must apply for graduation by the designated deadlines. Commencement requires a separate application. For details on both the Graduation and Commencement applications, visit adelphi.edu/graduation.

Graduate Student Requirements
The graduate student requirements vary according to the program. Students are encouraged to familiarize themselves with these requirements by visiting the department office or the appropriate website.

For additional details about graduation requirements, visit adelphi.edu/graduation.

Undergraduate Student Requirements

GPA Required for Graduation
Undergraduate students who have completed the minimum number of credits required by their major for graduation and attained a cumulative GPA of 2.0 to 3.0, depending on the major, may apply for graduation. Specific requirements for each degree will be found in the University Bulletin under the appropriate school/college and department. Visit catalog.adelphi.edu.

Go to the online graduation application or download the print application for graduation (PDF) at adelphi.edu/graduation.

Degrees will not be conferred upon students who have not applied for graduation.

Determination of Graduation Requirements

Normally, matriculated students follow the graduation requirements established in the Bulletin under which they are admitted to the University; however, students who interrupt enrollment for two or more consecutive semesters (fall and spring) are governed by the Bulletin in effect when they are readmitted. Requests for exceptions are reviewed by the appropriate academic dean.

Residence Requirements
(Undergraduate Students Only)

A student must complete the final 30 credits toward a degree at Adelphi in order to be eligible for the degree.

Undergraduate students who transfer credits in excess of 64 from two-year colleges may apply only 64 of those credits toward a baccalaureate degree to be awarded by Adelphi University. (See statement regarding graded credits in Latin Honors.)

ACADEMIC AWARDS AND HONORS

Latin Honors (Undergraduate Students Only)

An undergraduate student whose cumulative GPA is between 3.3 and 3.599 may graduate with honors (cum laude); whose cumulative GPA is between 3.6 and 3.849 with high honors (magna cum laude); whose cumulative GPA is 3.85 and above with highest honors (summa cum laude).

In addition to the cumulative GPA, 56 Adelphi credits of graded courses—including “P” (Pass) grades—must be completed for a student to be considered for Latin Honors.

If a student has 56 earned hours at Adelphi but was required, for completion of the major, to take a major course offered only on a Pass/Fail basis, the student may request the Registrar to calculate the cumulative GPA (for purposes of determining Latin Honors only) based on all grades and coursework taken both at Adelphi and other institutions.

Departmental or School Honors

Students graduating with the highest averages in their major may be nominated for departmental or school honors, provided that the GPA of the nominated student is 3.5 or above for courses

**FINANCIAL ASSISTANCE**

financial-aid.adelphi.edu

Adelphi University offers a wide variety of financial assistance programs in addition to the various federal and state programs that currently exist. Financial assistance is any grant, scholarship, loan or employment opportunity that is offered to an enrolled or prospective student with the express purpose of helping the student meet educational expenses.

The amounts and types of financial assistance that a student receives are determined by the eligibility of the applicant for each program. The combination of these various awards is commonly referred to as the financial aid package. Graduate students are encouraged to file the appropriate application forms and to contact their graduate school/department for a listing of additional sources and assistantship information.

**Financial Assistance for College of Professional and Continuing Studies (CPCS) Students**

Adelphi University’s Office of Student Financial Services is committed to helping you find the resources you need to fund your studies, and our numbers show our dedication. CPCS students are uniquely eligible for several grants and scholarships. For more information, visit cpcs.adelphi.edu/aid.

**Responsibilities of Financial Assistance Recipients**

Students receiving financial assistance have the following responsibilities:

- To complete the Free Application for Federal Student Aid (FAFSA) each academic year by the deadline prescribed by the University
- To meet the requirements of good academic standing and maintain satisfactory academic progress toward their degree
- If a student transfers from another institution to Adelphi University during the same award year, federal regulations require that we request through the National Student Loan Data System (NSLDS) updated information about any fall disbursements so that your spring disbursements are accurate and do not exceed federal guidelines. Your assistance package may change after review of your record on the NSLDS.
- To report to the Office of Student Financial Services any changes in enrollment status, changes of name or address and receipt of any additional internal or external financial assistance.

**Financial Assistance Policies**

All financial assistance awards are made based on the information available as of the date of the financial assistance award letter. Adelphi reserves the right to adjust the financial assistance package if the student receives financial assistance from sources not specified in the award letter, either from Adelphi or from outside sources.

The Office of Student Financial Services should be notified of any significant change to the family’s financial situation after the completion of the FAFSA if the student (or parents) believe it could affect the student’s eligibility for assistance. Adjustments to a student’s financial assistance award may be made at the discretion of the Office of Student Financial Services. Some common reasons for adjustments are changes in budgets and awards (e.g., if the student moves from University housing to private housing), changes in enrollment (e.g., enrolling part-time when full-time was originally indicated on the admissions application), documentation of incorrectly reported income and asset information, changes in family circumstances, receipt of outside or academic scholarships or any other changes in information that, in the opinion of the Office of Student Financial Services, justifies a change in the financial assistance awards.

Students receiving institutional scholarships that exceed the cost of tuition may be subject to federal income tax on the amount by which the award exceeds tuition. We recommend that students check with their tax consultant for further information.

Institutional scholarships and grants are applicable to tuition and, in some cases, University fees. The University reserves the right to adjust the financial assistance.
assistance previously awarded when these awards, in combination with other sources of assistance, exceed the cost of tuition and fees. Awards include, but are not limited to, external awards and state scholarships and grants.

**Nondegree Students**

Individuals registering for courses in the University without applying to the Office of University Admissions for degree status are considered nondegree students. The courses taken are considered to be for personal enrichment and the student is not eligible for any financial assistance.

**International Students**

Federal and state financial aid programs are limited to U.S. citizens and certain permanent resident aliens—persons with Forms I-151, I-551 (a green card) or I-94.

**FAFSA Application Procedures**

Students applying for financial assistance must complete the Free Application for Federal Student Aid (FAFSA). Applications can be completed online at [fafsa.gov](http://fafsa.gov). All New York State residents who are receiving financial assistance from Adelphi are encouraged to apply to New York State for the Tuition Assistance Program (TAP) grant. (Note: As of 2011, only undergraduate students are eligible for TAP.) Students will be presented with a link to the TAP application when they have completed the FAFSA online. They should follow this link to apply for TAP.

Transfer students should contact Student Financial Services at [financial-aid@adelphi.edu](mailto:financial-aid@adelphi.edu). Although award decisions will not be made until an applicant has been officially accepted by the Office of University Admissions, it is important to note that financial assistance applications can and should be completed prior to admission acceptance.

**Application Deadlines**

Applications for all financial assistance programs should be made by all new and continuing students as soon as possible after October 1 each year. The various state and federal programs have deadlines that extend throughout the academic year.

Consult the Office of Student Financial Services for specific dates that may affect applications for these programs. The entire FAFSA should be completed online at [fafsa.gov](http://fafsa.gov) as soon as possible after October 1 each year. Filing by January 1 for continuing students and March 1 for new students maximizes your access to the various financial aid programs. Applications made after those respective dates will only be considered if funds remain available.

Students currently enrolled are required to reapply for financial assistance each academic year. Eligibility for financial assistance cannot be determined prior to the student’s acceptance into an eligible program of study at the University. The published financial aid priority deadlines are used when determining eligibility for certain limited sources of funding.

Please note: Any student selected for verification who has not completed the federal verification process cannot receive federal financial aid or need-based University grants.

First-time students at Adelphi must complete entrance counseling and the master promissory note before Federal Direct Loan funds can be applied to their account. Students who have been offered a Federal Perkins Loan in their financial aid package must complete a separate master promissory note and separate entrance counseling before funds may be disbursed.

**Academic Requirements to Maintain Financial Assistance**

Adelphi University, in compliance with Federal and New York State regulations governing satisfactory academic progress, will review the records of all students who apply for financial assistance. Recipients of financial assistance must be in good academic standing and must be making satisfactory academic progress. Failure to meet the established various criteria governing Federal, state or institutional assistance will result in the loss of that source of financial assistance. Details concerning established criteria are available in the Office of Academic Services and Retention and the Office of Student Financial Services, or visit online at [financial-aid.adelphi.edu/faq](http://financial-aid.adelphi.edu/faq).

If a student is officially withdrawing from the University, the W grades will not count in the GPA toward unsatisfactory credits. Hours attempted constitute all courses for which a student registers, including courses in which grades of F, I and W are given. Credits earned include all courses in which grades of A, B, C, D or P are given. Students who do not make satisfactory progress because they have failed to earn the required ratio of credits attempted to credits completed, due to grades of
W, F or I, are not eligible for financial assistance. The federal criteria and New York State Tuition Assistance Program requirements may vary from the University criteria governing University aid. A chart detailing these requirements will be included with each financial aid award letter. Contact the Office of Student Financial Services for more specific information.

For information on paying your bill, visit financial-aid.adelphi.edu/bill.

University Library Borrowing Privileges

Borrowing: Books from the open stacks may be checked out to students with a current Adelphi University ID card.

Loan Period: The standard loan period for most books is, with a few exceptions, 28 days. Extended loan periods are available to doctoral students. Reference books and periodicals do not circulate. DVDs are loaned for seven days.

Checking for Availability: All library materials are listed in ALICAT and OneSearch, the library’s automated online catalog. ALICAT is also used in the circulation process so that the availability of materials can be checked. Just select the appropriate choice. Library materials that are available for circulation are marked “on shelf” in the status field on the screen. Library materials that have been borrowed by other library users display a date due on the screen. These materials may be placed on hold. See the section on Holds.

Limitations: Each undergraduate student is limited to 10 books and each graduate and doctoral student to 15 books checked out at any one time.

How to Return Books: Books may be returned to the Access Services Desk at Swirbul, to the book slots in the library or to the circulation desks of the libraries in Hauppauge, Manhattan and Hudson Valley. When Swirbul Library is closed, books may be returned to the exterior book drop.

Overdue Charges: There is a grace period of three days for overdue circulating books. After three days, there is a charge of 20 cents per day for the first 10 days. On the 11th day, the charge is $1 per day from the date the item was due to the date it is returned. The maximum overdue charge for each circulating book is $100. DVD recordings are charged at $1 per day. The maximum overdue charge for each circulating DVD is $50. Reserve books are charged at 50 cents per day for the first two hours, then $1 per hour. The maximum overdue charge for each reserve book is $100.

Renewals: If no other library borrower has requested them, books may be renewed online or by bringing them to any of the three Access Services desks (Swirbul, Hauppauge or Manhattan). Online renewals can take place from one week before to the day that a book is due. Materials may not be renewed if a hold has been placed or if there are outstanding fines. Renewals by telephone and mail are not permitted.

Recalls: All materials are subject to recall by library staff after 14 days. When a book has been recalled, the borrower will receive a Recall Notice through Adelphi email; the book must be returned by the new due date. The charge for overdue recalled books is $1 per day.

Searches for Missing Books: Requests for searches are accepted at the Access Services Desk for books that are listed in ALICAT as “on shelf” but are not found in the stacks. The Access Services staff will then conduct a thorough search and notify the user through Adelphi email regarding the status of the item.

Holds: If a book is checked out to another library borrower, a hold may be placed on that item. The patron will be notified through the Adelphi email of its return and will be given one week to come in to borrow it.

ConnectNY: ConnectNY is a unified online catalog of independent academic libraries in New York State, with combined holdings of over eight million books. Before filling in an Interlibrary Loan request for a book in ALICAT, please click on the ConnectNY (C-NY) icon. If the book you want is available at any other member library, you can request it yourself. ConnectNY overdue fine(s) are $1 per day for each book. The maximum overdue fine is $100 per book. The loan period for C-NY books is 42 days with one renewal.

Smart Delivery (Interlibrary Loan): If you are unable to find the journal or book title you need in the University catalog, or if the item is not owned by the University, you may request that it be obtained for your use from another library outside of Adelphi. For more information, please contact Smart Delivery (Resource Sharing) at 516.877.3571.

Referrals: If the Adelphi University Libraries do not own the journal or book you need and you cannot wait, a librarian at the reference desk can direct you to a nearby library that owns the needed material.
Lost Materials: If any library material is lost, it must be reported immediately. The charge for lost material is the cost of the item, a $15 processing fee, plus the overdue charges accrued to the date the item is declared lost.

Damaged or Mutilated Materials: If library material is returned in such poor condition that it can no longer be circulated, the borrower is responsible for replacing the material. The charge to the borrower is the cost of the material plus a $15 processing fee.

Long-Overdue Materials: Any library material not returned within a semester after the due date will be declared lost. The borrower will be responsible for the cost of its replacement. The charge is the cost of the item, plus the $15 processing fee and the $100 maximum overdue charge.

Penalties: Failure to return library materials or to clear outstanding records will result in the holding of students’ grades, official transcripts and/or diplomas. The library reserves the right to suspend students’ borrowing privileges when they accumulate overdue charges of $15 or more, have overdue reserve items or have failed to return overdue recalled items.

VETERAN SERVICES

Levermore Hall, Room 303
admissions.adelphi.edu/military
516.877.3411

Adelphi welcomes the opportunity to assist qualified veterans in their academic plans and preparations for the future. The University considers, on an individual basis, the needs, interests and purposes of veterans who desire higher education.

The Post-9/11 G.I. Bill represents the largest expansion of education benefits to veterans since World War II. Eligible veterans can receive benefits to pay tuition, housing and textbook costs that could allow them to study at Adelphi for little to no cost. We’re a Yellow Ribbon school. Active, reserve and veteran military students using Post-9/11 G.I. Bill benefits or any other Veterans Affairs program benefits can apply and enroll in any of the associate, bachelor’s degree, credit certificate, master’s degree or doctoral programs across our eight schools.

Visit admissions.adelphi.edu/military for further details, or visit College of Professional and Continuing Studies Academic Adviser Christina Wease or contact her via email at cwease@adelphi.edu.
is limited to the interior and the sidewalk perimeter of the Garden City campus and Parking Field 9 (Garden City pool), a noncampus location. Each of the off-campus centers provides security only for the interior space that is leased by the University.

The Department of Public Safety and Transportation maintains a close working relationship with the Garden City, Hempstead, Nassau County, Suffolk County, Poughkeepsie and New York City police departments, all of which provide police services, including criminal investigation and emergency services. Although Adelphi public safety officers are not peace officers and therefore do not have authority to make arrests as such, they do provide crime-scene services pending the response of the law enforcement agency concerned. Officers have the authority to issue parking and moving violation summonses on campus, and have the authority to request identification of persons on campus. The University maintains a Memorandum of Understanding with the Garden City Police Department, which has geographical jurisdiction to investigate alleged criminal offenses that occur on the main campus in Garden City. The police department and Department of Public Safety have open lines of communication and continual interaction to ensure the safety of our campus environment and the surrounding communities.

Furthermore, the department has a close working relationship with members of the New York City Police Department’s first precinct, covering the Manhattan Center; the Suffolk County Police Department, covering the Suffolk County Centers; and the Poughkeepsie Police Department, covering the Hudson Valley Center. Each department is contacted annually, or as needed, to ascertain whether any Clery crimes (Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act) occurred that impact reportable crimes. In addition, public safety maintains close relationships with other local and federal law enforcement authorities.

**Campus Security and Fire Safety Report**

Adelphi University’s Annual Security and Fire Safety Report includes statistics for the previous three calendar years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Adelphi University; and on public property within, or immediately adjacent to and accessible from campus.

More detailed information can be found at [safety.adelphi.edu](http://safety.adelphi.edu).

For your convenience, you are now able to obtain an electronic version of the Adelphi Identification card on your smartphone using the AU2Go mobile app. However, the physical ID card distributed by the Department of Public Safety and Transportation remains the only official identification for access control to buildings, parking facilities, venues and when requested by an official of the University.

Alumni ID cards are issued upon request after confirmation of alumni status.

Visit the Department of Public Safety and Transportation in Levermore Hall, Suite 113, or call 516.877.3500.

Current students should bring proof of payment, confirmation of classes and/or other evidence that you are currently registered at the University.

Alumni should provide a photo ID and student number (if known) for status confirmation.

Lost or Damaged ID Cards

There is a $15 replacement fee for lost or damaged ID cards.

Services
The Health Services Center is under the direction of a nurse practitioner and staffed by nurse practitioners, registered professional nurses and emergency medical technicians. The center is located on the Garden City campus and can be accessed by any registered student. All students can access the center by appointment or on a walk-in basis for emergencies. Our nurse practitioners, who are independent providers, can diagnose and treat students on campus for illness and injuries. The center provides routine gynecological care, athletic clearances, study-abroad travel clearance and immunotherapy, as well as ongoing health and wellness education programs, for the campus community throughout the year.

Students can receive medical attention and treatment as well as education and information about general wellness. Services are available to all students—undergraduate and graduate, resident and commuter.

Health Portal
All registered students may access sections of their electronic medical record, self-schedule appointments and upload documents. Go to eCampus services and add the Health Portal to your eCampus dashboard.

Insurance
health.adelphi.edu/insurance

Every registered student, undergraduate or graduate, has the option to purchase student health insurance at the beginning of their school year or in the event of qualifying circumstances. Students who do not have medical insurance coverage, or are no longer covered under their parents’ insurance plan and wish to enroll in Adelphi’s plan, must do so by October 1 for the fall semester and March 1 for the spring semester. There is also an opportunity for dependents of insured students to purchase insurance coverage.

Do I have to purchase the Adelphi student health insurance?

No. Only residential and international students are required to have health insurance. If you have proof of another policy, you can waive the school’s health insurance.

Important semester deadlines to waive student insurance:

- October 1, for students starting in the fall semester
- March 1, for students starting in the spring semester

The fall enrollment is a full-year policy. No refunds will be granted if the student remains for only half a semester and the policy remains in effect for the student for the full year.

All resident students and international students are automatically enrolled in the school health insurance policy which is billed to the student account, unless proof of insurance has been provided and a waiver is completed. If students have their own insurance with comparable coverage and wish to waive the student health insurance, they must complete the online waiver at health.adelphi.edu/insurance.
The deadline for waiving insurance for the fall semester is October 1; for new students in the spring, the deadline is March 1. There are no exceptions to the waiver deadline.

Visit the Health Services Center website at health.adelphi.edu/insurance for information about insurance, or students may contact the Health Services Center at 516.877.6000.

CAMPUS SUSTAINABILITY/RECYCLING

Featured in The Princeton Review’s Guide to 322 Green Colleges, Adelphi makes sustainability a priority—from the solar panels installed on Swirbul Library to sharing compost with our neighbors in Garden City.

Water Filling Stations

There are more than 80 water bottle filling stations located in various buildings on the Garden City campus, and additional systems at two of Adelphi’s off-site centers. Reduce plastic bottle consumption and waste from landfills—while saving money—by filling a reusable water bottle with chilled, filtered water.

In November of 2015, a million bottles had been filled in these systems. For information about Adelphi’s Project Water, which includes a map for all bottle filtration system locations, visit students.adelphi.edu/water.

Recycling

Adelphi recycles not only cans, bottles and paper, but also ensures that hazardous waste is not mixed with inert refuse. The University recycles all fluorescent light bulbs, batteries and computer equipment. Cardboard is also sorted into separate containers.
The University has also revised its construction standards to include recycling of all construction debris and the use of environmentally friendly materials whenever possible.

A laser toner recycling program for the administration is facilitated by Adelphi’s Mail Room and our printing services partner, AM Exclusive. Inkjet toner should be returned by individuals to the vendor using a prepaid label which is usually included in the original box. Inkjet printer toner cartridges are recycled in all residence halls and in many academic buildings throughout the campus.

UNIVERSITY POLICIES

University policies included herein are accurate at the time of publication review, and subject to change. For a complete list of all University policies, as well as the full content of the following policies, refer to operations.adelphi.edu/policies.

Code Of Conduct

This code was revised on June 8, 2017, and supersedes all previous versions.

Adelphi University has a clear mission: Our University transforms the lives of all students by creating a distinctive environment of intellectual rigor, research, creativity and deep community engagement across four core areas of focus: arts and humanities, STEM and social sciences, the professions, and health and wellness.

The ability and freedom to teach, learn and develop depends upon appropriate opportunities and conditions in the classroom, in the residence hall, elsewhere on campus and in the greater academic community. The University has developed procedures and policies to safeguard this process and to maintain an environment conducive to the learning process.

Although no such document can be exhaustive, the purpose of a code of conduct is to set out standards of conduct, to give notice of expectations and prohibited behavior, and to identify the procedures the University may employ to resolve breaches of those standards. These policies and procedures are not meant to address simple differences of opinions or inhibit freedom of expression.

This Code applies to all members of the University community as well as all others on University premises.

Code of Conduct Policy Regarding Weapons

10.2 Weapons

Unauthorized use, possession or storage of any weapon, whether or not a federal or state license to possess the weapon has been issued to the possessor. Persons who are licensed and obligated to carry firearms should obtain written permission from the Executive Director of Public Safety and Campus Transportation or designee to bear such on University premises or at University-sponsored activities. See Section 1 for the University’s definition of a weapon.

For the complete Code of Conduct, visit adelphi.edu/conduct.

Adelphi University Honor Code

“The University is an academic community devoted to the pursuit of knowledge. Fundamental to this pursuit is academic integrity. In joining the Adelphi community, I accept the University’s Statement of Academic Integrity and pledge to uphold the principles of honesty and civility embodied in it. I will conduct myself in accordance with ideals of truth and honesty and I will forthrightly oppose actions which would violate these ideals.”

All members of the University community are responsible to familiarize themselves and abide by all rules and procedures related to academic honesty at Adelphi. These materials can be found in multiple sources, including on Adelphi’s Academic Integrity site at adelphi.edu/integrity.

**Adelphi University Demonstration Policy For Students**

**Adelphi's Commitment to an Educational Environment and Freedom of Expression**

Adelphi University’s mission is to transform the lives of all students by creating a distinctive environment of intellectual rigor, research, creativity and deep community engagement. In alignment with its mission, Adelphi University is committed to creating an educational environment in which a variety of ideas can be reasonably proposed and critically examined. The University has developed procedures and policies to support its mission as well as each community member’s freedom of expression. Freedom of expression is vital to our shared goal of the pursuit of knowledge.

Such freedom comes with a responsibility to welcome and promote this freedom for all, even in disagreement or opposition. The right of freedom of expression at Adelphi University includes peaceful demonstrations. At the same time, the University has long recognized that the right to demonstrate does not include the right to engage in conduct that disrupts the University’s operations or endangers the safety of others.

**Rationale for this Policy**

The University sees its obligation to facilitate peaceful demonstrations in all ways possible, support personal safety and enable necessary activities of the University to be free from unreasonable disruption.

For the complete policy, visit adelphi.edu/policies/demonstration.

**Adelphi University Policies, Rules and Standards Regarding Illicit Drugs and Alcohol**

Adelphi University—in its mission to provide a quality education for students and to prepare them for a productive and civilized life—realizes the importance of a drug-free campus and is therefore strongly committed to the prevention of substance abuse.

To maintain an atmosphere conducive to this mission, the following policies, rules and standards have been implemented. They apply to all students, employees and organizations, and are in accordance with all applicable federal, state and local laws.

A biennial review of this program will be conducted to determine its effectiveness and suggest the implementation of changes to the program, if deemed necessary. This review will also ensure that the sanctions developed by the University are consistently enforced.

To read the entire policy on illicit drugs and alcohol, visit adelphi.edu/drug.

**Information Systems: Acceptable Use Policy**

The first time any student signs on to eCampus, you will be asked to agree to the terms of the Acceptable Use Policy. If the policy is updated, an alert will occur again for acceptance of the policy. The University enforces not only the Acceptable Use Policy, but other policies that impact the Information Technology options available to students.

Visit it.adelphi.edu/policies for the complete policy and for all other IT policies.
Adelphi University Policy on Hazing

This policy is deemed to be part of the by-laws of all organizations operating on the Adelphi University campus. Each organization has the responsibility to review, annually, such by-laws with individuals affiliated with such organizations.

Hazing Regulations

Adelphi University opposes hazing (inappropriate or unlawful activity conducted for the purpose of initiation into an organization) in any form by any person or group associated with this University. In recognition of the enactment of Chapter 676 of the Laws of 1980 which amends Section 6450 of the Education Law to prohibit dangerous activity conducted for the purpose of initiation into an affiliation with any organization, the Board of Trustees reaffirms as University policy its opposition to hazing by adoption of the following Rules and the Regulations thereunder:

No student, faculty, or staff member, visitor, licensee, invitee, or group or organization of such persons on the Campus of Adelphi University at Garden City, New York, and on any other University property used for educational purposes (collectively called Campus), shall engage in any action or situation which, among other things, recklessly or intentionally endangers mental or physical health or involves the enforced consumption of liquor or drugs for the purpose of initiation or entering into an affiliation of any group or organization (to be referred to as the Anti-Hazing Rule).

To read the entire Hazing Policy, visit adelphi.edu/hazing.

Protocol for Student Complaints Concerning the Actions of Faculty Members

Members of the Adelphi faculty are expected to meet the highest standards of the academy in all aspects of their professional conduct. These standards derive from many sources, including institutional policies, the rights and reasonable requirements of students, contractual agreements, the law and expectations of integrity. Adelphi University is responsible for fully and fairly addressing complaints concerning conduct by faculty while acting in the context of affiliation with the University.

Issues dealing with harassment should be dealt with under the University’s Anti-Discrimination, Harassment and Retaliation Policy. A reporting form is available at adelphi.edu/faculty-complaint.

Issues related to grades follow the procedures set forth in the Undergraduate and Graduate Bulletin and are included below:

Grades are submitted only by the instructor of the course. Any change of grade must be approved by that instructor. A grade may be changed only if there is unequivocal evidence that it was the result of computational or mechanical error. Students who believe their grades are incorrect or unfair should:

- Discuss their coursework with the instructor.
- Review with the course instructor the grading policies for the course.
- If still dissatisfied, disputes concerning grades should be brought to the chair of the department (if there is a chair).
- The chair may choose to discuss the matter with the instructor to try to resolve the issues.
- If still dissatisfied, or if there is no chair, students should bring their concerns to the assistant or associate dean of the school responsible for the course.
- The dean may choose to discuss the matter with the chair and/or the instructor to try to resolve the issues.
- If the issues remain unresolved, the student may request that the Office of Academic Services discuss the matter with the instructor.
- The Associate Provost may choose to discuss the matter with the dean.

If the Chair, Dean, or Provost concludes that a grade was a result of arbitrary or capricious conduct on the part of the instructor, the student may be allowed to withdraw from the course. In the case of arbitrary or capricious conduct, the department or school may allow the substitution of another course to replace the course in question.

All disputes concerning the accuracy of a grade must be raised within one calendar year. Grade changes must first be signed by the instructor and then by the department chair and the appropriate dean before being submitted to the Registrar.

Student complaints of bias-related incidents against University employees (including faculty) are to be filed with the Office of the Dean of Student Affairs.

Other complaints not covered above, should be addressed as follows:

- Discuss with the faculty member concerned, if appropriate
• If not appropriate or the student remains dissatisfied, the issue should be brought to the chair of the department (if there is a chair)
• If still dissatisfied, or if there is no chair, the issue should be brought to the assistant or associate dean of the school in which the faculty member belongs
• If still dissatisfied, the issue should be brought to the dean of the school in which the faculty member belongs
• If the issue remains unresolved, the student may request that the Office of Academic Services help resolve the matter

Smoking (including cigars, e-cigarettes, hookah pens, e-hookahs, vaping pens, vape pipes, as well as any and all similar products) on the Garden City campus will be permitted only at four designated sites that will be clearly marked. No smoking will be allowed while traveling on walkways or traveling to or from sites where smoking is permitted. Please place only cigarette butts in urns at these four designated areas. This prohibition extends to any University-owned or -operated transportation.

Current designated smoking areas:

2. Northeast side of Post Hall
3. South side of Swirbul Library
4. Southwest corner of Angello Alumni House

For additional information and site locations, visit green.adelphi.edu/fresh-air-adelphi.

Civil penalties for violation of this policy are set by New York State and local laws, and are enforced by the local departments of health. In addition, Adelphi University will discipline students and employees for violations of this policy in accordance with established procedures.

Reason for Policy

Significant health risks have been determined to be the result of exposure to environmental tobacco smoke. The Environmental Protection Agency has determined that tobacco smoke is a known carcinogen and is responsible for lung cancer as well as several other diseases in adults and children. Adelphi University has as one of its highest priorities the health and safety of students, faculty, and staff, and believes that environmental considerations are part of the educational process. Our goal is to reduce the risk of exposure to potentially hazardous conditions.

Enforcement

Employees who are in violation of this policy will be informed that smoking is not permitted and that such action is punishable by a civil fine provided by applicable law and will be directed to a “Smoking Permitted” area. Upon the second offense, individuals will be reprimanded in writing, a copy of which will remain on file. Upon the third offense, disciplinary action may be more stringent, up to and including termination from employment, as decided by the appropriate University procedure. Any complaints concerning nonobservance of this policy should be directed to the Associate Vice President for Human Resources and Labor Relations, who is the official contact for the University with the local departments of health.

For students, complaints about smoking in Residence Halls should be directed to the Resident Assistant or Residence Hall Director in that building. Other complaints concerning students should be referred to the Office of Student Conduct and Community Standards. Student sanctions range from a letter of warning, to expulsion, including loss of University housing.

For the complete policy, visit adelphi.edu/smoking.

Speakers Policy for Students

The University seeks to offer a full, varied and balanced program of guest speakers that will result in a maximum exchange of ideas and opinions. As part of the educational process, students are encouraged to invite guest speakers to campus who can address an area of interest to the University community. Recognized student organizations may invite to Adelphi University any person(s) who, in their opinion, might contribute to the intellectual or cultural life of the University. Individual students wishing to invite a speaker to campus should seek the sponsorship of a recognized organization.

In order to derive maximum benefit from a guest speaker’s presence on campus, it is required for student organizations planning to host a speaker to consult with the Center for Student Involvement staff prior to extending a final invitation. Student
organizations are also encouraged to consult with faculty in related fields of expertise.

For the complete policy, visit adelphi.edu/speaker.
All students are expected to understand and abide by all University policies. Please consult operations.adelphi.edu/policies for the full content of these policies as well as other University guidelines/policies that apply to the campus community.
