Northeast-10 Conference and ECAC

Adelphi is a member of the Northeast-10 Conference (NE10) and the Eastern College Athletic Conference (ECAC) and is an affiliate member of the East Coast Conference (ECC) in women’s bowling. Adelphi has a rich tradition on and off the field of play in intercollegiate athletics, at the conference, regional and national levels, and countless Adelphi athletes have been celebrated for excellence for their athletic exploits and in the classroom. Adelphi student-athletes are committed to serving the community through the Student-Athlete Advisory Committee (SAAC), which participates in several initiatives throughout the year. These include collecting food for Island Harvest, reading to elementary students through the Read Across America program and raising funds for Make-A-Wish in partnership with NCAA Division II.

Adelphi athletes have gone on to have decorated careers in various sports, including a storied track and field history that has seen national champions, brought international renown to the University, and held the world record in the mile relay in the 1970s. Other Panthers featured in the international ranks include Chris Armas ’94, who had an award-winning career in Major League Soccer (MLS) and the U.S. Men’s National Soccer Team, before becoming the current coach of the New York Red Bulls; Kári Árnason, a defender for the Icelandic national soccer team; and two-time handball Olympian Portia Lack ’83, who competed in basketball and softball for the Panthers.

In professional sports, nearly a dozen men’s lacrosse players have been drafted by Major League Lacrosse (MLL) teams, while nearly two dozen baseball players have been drafted by or signed to professional organizations, including 4 different organizations in Major League Baseball (MLB).

Student-Athletes

The graduation rate of our student-athletes is higher than that of the general student body. Overall, 80 percent of Adelphi’s student-athletes earned at least a 3.0 GPA in the classroom in the recently completed fall semester, with about 40 percent of the entire student-athlete population recording a minimum 3.5 GPA. The Long Island Press released the 2020 winners for the annual Bethpage Best of Long Island competition, revealing that Adelphi University took home Best College Sports Program, a repeat honor after the department won the same award in 2019.

CAs keep in contact with their commuting first-year students and encourage new students to get involved on campus.

All CAs hold office hours during the week and are accessible to answer questions. CAs are equipped with the most up-to-date information regarding campus events and news so that they stand ready to assist any commuter student who may need their guidance.

The Commuter Assistant Program also hosts multiple events each semester for commuter students to enjoy and at which they can meet fellow students.

We encourage commitment to leadership, tolerance and citizenship by providing programs, services and facilities that contribute to the intellectual, social and cultural development of all our students. We sponsor more than 450 seminars, workshops and events during the academic year, addressing such issues as interpersonal relationships, interviewing techniques, cultural diversity and stress management. Whether you choose to live on or off campus, we encourage you to be an active part of our community and to take advantage of the vast array of resources available to you.

On-Campus Housing

There are seven residence halls on campus. Each hall is supervised by a full-time residence hall director (RHD) who is committed professionally and personally to making the hall a center of learning. The RHD lives and works in the hall throughout the year and supervises a staff of trained graduate and undergraduate resident assistants (RAs). Each building has hall attendants who register guests before they may enter the building during evening and late-night hours. For more information, visit adelphi.edu/housing.

To live in University-operated housing, you must sign a Residence Hall Agreement, be registered for classes and pay a nontransferable and nonrefundable deposit to the University with your application. To live in University-operated housing, you must sign a Residence Hall Agreement, be registered for classes and pay a nontransferable and nonrefundable deposit to the University with your application. The deposit is $300, of which $200 will be applied to your student account and $100 will be retained as a damage deposit. Visit adelphi.edu/housing/agreement for the complete Residence Hall Agreement.

All Garden City campus resident students are required to purchase a meal plan offered by Adelphi University Dining Services. For more information about the meal plans, visit dineoncampus.com/adelphi.

RESOURCES AND SERVICES FOR ON-CAMPUS RESIDENTS

Laundry Services for On-Campus Residents

Laundry rooms, located in each of the residence halls, are for resident student use only. Use of laundry equipment is included in the room and board charge for students living in the residence halls. Therefore, the machines are free of charge.

Each residence hall has numerous laundry rooms located on various floors of the building. The laundry rooms are equipped with front-load machines that use 60 percent less water and require 50 percent less detergent than a top-loader. However, powdered and pod detergents are strongly discouraged. Each machine takes about 30 minutes to wash and 45 minutes to dry. You should never leave your belongings or clothes unattended in any of the laundry rooms. Do not remove another student’s laundry from the washer or dryer, but bring the situation to the attention of the RHD or RA.

Please report any problems with the laundry machines to your residence hall director or resident assistant. They will contact the vendor in order to have the equipment repaired.

Trash and Recycling for On-Campus Residents

Trash receptacles are located in the laundry rooms, some hall closets and in the bathrooms of each residence hall. All residents are responsible for properly disposing of their trash. Items that leave trash in the hallways, stairwells or in any other inappropriate location will be subject to fines and disciplinary sanctions.

Recycling on campus is important, as Adelphi commits to its green initiative. Resident students are encouraged to use the designated receptacles in the residence halls to properly discard cardboard, paper, inkjet cartridges, batteries, cans and bottles. Since Adelphi supports the environmentally friendly charge to reduce, reuse and recycle, students are also requested, when leaving the room, to turn down thermostats, log off computers and turn off unnecessary electrical appliances. For more information about Adelphi’s commitment to the environment, visit adelphi.edu/sustainability.

Lounes for On-Campus Residents

Each residence hall has a lounge located on its first floor, adjacent to the lobby. Residence Hall A, Residence Hall B and Eddy Hall have additional lounges located on each floor. The lounge is furnished with a television set, couches and kitchenette facilities. The kitchenettes are furnished with an oven, range, microwave, sink and cooking utensils. Cooking is not permitted in rooms or anywhere in the residence halls other than in the kitchenettes.

Computer Access for On-Campus Residents

For a comprehensive guide to technology services available on campus, visit adelphi.edu/it. If you need assistance, call the Information Technology Help Desk at 516.877.3340. To access streaming and gaming services in your residence hall, you must register your devices first. For wireless access from your computer or mobile phone, we encourage you to use the eduroam network, which can be used at Adelphi and member campuses worldwide. For instructions, visit adelphi.edu/wifi. Two desktop computers and wireless printers are available to resident students in one lounge of each residence hall.

Television for On-Campus Residents

You are provided with cable television access in your room with approximately 60 cable channels. The channel listing is available from your residence hall staff.

Housing Cancellation Request

The Residence Hall Agreement is binding from the date of occupancy to the end of the current academic year. The agreement period begins at 10:00 a.m. on the day before the first day of classes and ends 24 hours after the resident’s last exam or 5:00 p.m. on the last day of final examinations, whichever is earlier. A resident who wishes to be released from the Residence Hall Agreement must submit the appropriate housing cancellation form and pay an early housing cancellation fee of $750. This cancellation fee will be waived only upon written submission of documented reasons that verifiably prevent the student from living on campus (midyear graduation, official University withdrawal, study abroad, student teaching, military service or official University leave of absence). Residents who wish to appeal the cancellation fee for other verifiable reasons that prevent the resident from living on campus may submit the cancellation appeal form along with appropriate documentation. Any such consideration of an appeal will be made on a case-by-case basis. Any refund of housing fees for a given semester will be determined according to the University’s standard refund schedule in effect, minus any housing deposit and residence hall activity fees, which are nonrefundable.

OFF-CAMPUS HOUSING

Many Adelphi students choose to live off campus for various reasons—increased autonomy, apartment-style living, a time to foster independence, family arrangements and other needs. Visit adelphi.edu/housing/offcampus for more information on these and other housing options.
In addition, students may search the Adelphi Off-Campus Housing Service, which allows them to compare their favorite listings, view their search history, search for roommates and more. Visit Adelphi University Off-Campus Housing Service at offcampushousing.adelphi.edu.

RESIDENCE HALL AGREEMENT ADDENDUM

For updated information that pertains to all residential students, visit adelphi.edu/housing.

RESIDENTIAL LIFE POLICIES

Students living in University housing are subject to federal, New York state and local laws, as well as University policies governing student housing, student conduct and disciplinary guidelines. Students are also responsible for knowing and observing University regulations and guidelines as set forth in official publications, including, but not limited to, the Residence Hall Agreement, the Code of Conduct and this guide.

Community Standards

1. Residents are under continuous obligation to be considerate of fellow students. Inconsiderate behavior, including irresponsible behavior resulting from alcohol or drug abuse, smoking in any residence hall, infringement on roommate privacy, excessive noise or other residence hall violations will be subject to review and disposition by the appropriate residence hall staff members.

2. Residents may not exhibit behavior that intimidates or interferes with the use of the space by others, specifically, but not limited to, behavior that attempts to force a roommate to move out of the room or to prevent a new roommate from moving in, and behavior that is disruptive in lounges or in any other part of the residence hall facility. This includes, but is not limited to, playing sports indoors and throwing anything out of windows. Conduct that endangers the safety of property or the health and safety of others is not permitted.

3. Access to bathroom facilities is limited to the designated gender. However, gender-inclusive housing and all-gender restrooms are available on campus. For the locations of all-gender restrooms, visit adelphi.edu/all-gender-restrooms. Information about gender-inclusive housing is available from the Office of Residential Life and Housing.

4. Sound carries easily throughout the residence halls. Voices, stereo, televisions and sound amplification equipment can often be heard in other rooms on a floor, on floors above and below, and in neighboring buildings. Residents should be conscious of the volume of their music, and all are expected to considerate of and comply with reasonable requests from peers and staff to adjust their sound/noise levels.

5. Quiet hours will be enforced in all residence halls. In addition to noise regulations, residents will observe 24-hour quiet hours during University-designated examination periods.

Building Security

6. Your personal safety and the physical security of the residence halls depend in part on your knowledge of safety precautions. Public safety officers patrol the campus 24 hours a day. Student hall attendants staff the main door of each residence hall at night to regulate access to the buildings. Student hall attendants will check residents’ identification cards and will not allow anyone else to enter.

7. All occupants assume total responsibility for their rooms, including contents, behavior, damages and activities that occur within them. Any violations may affect your status as a resident student, including, but not limited to, probation and/or removal from the residence halls.

8. Residents are responsible for ensuring the health and safety of persons and property in common areas (corridors, lounges, etc.). Residents are obligated to report dangerous or disruptive activities to the residence hall staff. Outside doors may not be propped open.

9. Sidewalks, entrances, passages, elevators, lobbies, stairways, corridors and halls must not be obstructed, encumbered or used for any purpose other than entrance and exit to and from the premises.

Posting Policy

It is prohibited for any person to peddle, solicit, cause or attempt to peddle or solicit anywhere on campus. This includes, but is not limited to, distributing bar flyers, leaflets and posters under doors, on car windows, floors or the ground, or anywhere on campus. Approved organizations can post flyers by obtaining approval from the Center for Student Involvement and the Office of Residential Life and Housing. Once approval has been granted, the flyers may be delivered to the Office of Residential Life and Housing for distribution and posting by the residential life and housing staff. Violations of this policy may result in disciplinary action, including, but not limited to, restitution, cumulative fines, educational sanctions and suspension from the University, and is cause for arrest for violating Garden City Village Ordinances §121-1 and §155-2.

Fire Regulations

10. All occupants must leave the building immediately, using the nearest exit, whenever a fire alarm sounds or when instructed to do so by University personnel during times of emergency. Shut your door as you leave to prevent a fire from spreading.

11. Fire drills will be conducted in your residence hall to familiarize you with evacuation guidelines. You must consider all alarms as real and leave the building in a timely manner (defined as three minutes or less). Failure to do so will most likely constitute a fire safety violation resulting in a minimum $100 fine.

12. The use of elevators is prohibited whenever the fire alarm is activated or if there is a fire in the building.

13. Tampering with fire equipment, smoke detectors and/or fire alarms is a violation of New York state fire-safety and University policy. Persons involved may be subject to judicial action and arrest. University policy states that false fire alarms will likely result in disciplinary probation and/or suspension.

14. Municipal fire safety regulations forbid cooking in the residence halls, except in lounges equipped with kitchen facilities. Kitchen areas are provided for residents to use in each building.

15. Fire safety violation sanctions: Refer to adelphi.edu/safety-transportation/resources/fire-safety.

Room Security

16. Student room doors should be kept locked at all times and window(s) should be secured.

17. Search of rooms: Nothing in the University-student relationship or the Residence Hall Agreement will expressly or implicitly authorize University officials to permit police or other government officials to search a student’s room without a warrant. The dean of student affairs, or a designee, may search a student’s room only with the permission of the student, except when it is reasonably believed that a violation of campus policy or law has occurred or when it is deemed an emergency.

18. Access: When a representative of the Division of Student Affairs, the Facilities Management Department or the Department of Public Safety and Transportation seeks access to a resident’s room to determine occupancy for maintenance and repairs, the occupant will be notified in advance of such entry. A professional staff member in the Office of Residential Life and Housing will be notified in advance when entrance is necessary by a representative of the dean of student affairs or the executive director of public safety. A student request to facilities management for repairs and permission for entry constitutes an invitation for room entry for that purpose.

If no permission is given, the Facilities Management Department must make arrangements directly with the resident student. Office of Residential Life and Housing staff will conduct health and safety inspections at least once a month.

19. The University reserves the right to remove from the student’s room any item not in conformity with University policies.
20. Keys: Each resident is given a room key and may be given an outside door key. Residents are expected to carry their room keys and Adelphi ID card at all times. Suite residents are also given a suite key. Room keys are not to be loaned or duplicated. This includes ID cards used as access keys to buildings and/or rooms.

If the resident student loses any key, the lock will be changed and new keys will be issued to the residents of that room. The cost of the lock change will be billed to the student who lost the key. Keys may be returned to the residence hall staff member when the resident vacates the room or when directed to hand in keys by a member of the Office of Residential Life and Housing staff. Failure to return the room key will result in an automatic lock change. The student who fails to return the key will be billed for the lock change.

Students who are locked out of their room should call the resident assistant (RA) on duty. If the RA on duty is not available or if there is no RA on duty, you may contact any RA in the building or the residence hall director (RHD) during the day. Students should not expect that a staff member will be available to open a room, as RAs may be in class and the RHD may be unavailable. The University imposes a fine based on the number of times that a student is locked out during an academic year. The first lockout is done with a written warning, the second is $5, the third is $10, the fourth is $20 and it is $50 for each lockout thereafter. Should you lose your key, you must inform a staff member immediately.

Room Usage

21. The University provides routine housekeeping services only for lounges, corridors, stairways and common bathrooms. Students are responsible for the care and cleaning of their rooms and the contents. This includes allowing proper air circulation, removal of food and perishable items, ensuring clothing is dry, and keeping windows closed during rain or other inclement weather. Students who reside in suites with semiprivate baths are also responsible for the care and cleaning of their bathroom.

22. On occupying or vacating an assigned room, the resident is required to check the condition of the room and its furnishings with the staff member on forms provided. The University holds each student responsible for loss or damage to property beyond normal wear and tear and cleaning.

23. Residents may add furnishings to their rooms subject to health and safety codes, but they are not permitted to move University furnishings from, or to, any room or public location. Removal of University furniture from campus facilities is forbidden. University furniture missing from rooms at the time of checkout will be charged to the resident(s) individually, at full replacement cost.

24. The University cannot store student room furniture. Each piece of furniture assigned to a room must remain in that room, at all times, for the entire academic year.

Guests and Visitors

Good sense and common courtesy apply when residents want to have guests and visitors. The residence hall policies and guidelines related to guests and visitors permit residents to have guests in a manner that does not infringe upon the comfort or rights of other residents, maintaining a required level of safety and security in the residence hall. The following general policies apply to all guests and visitors:

25. Guests and visitors must have a valid state, federal, military or Adelphi photo identification card in order to be signed in.

26. Regardless of the length of the stay, a guest and/or visitor is expected to abide by all policies, guidelines, regulations and standards of residential life and housing, and of the University.

27. The host is responsible for the guest(s), and their actions, at all times.

28. Disregard and/or interference with the rights of other students with respect to reasonable quiet and privacy is strictly prohibited in the residence halls.

29. Possession, use, sale or exchange of alcohol, illegal drugs, narcotics or drug paraphernalia is strictly prohibited.

30. Loaning and/or duplicating of residence hall keys or ID cards and altering of door locks is strictly prohibited.

31. The University assumes no liability for loss of or damage to personal belongings of guests or visitors.

32. Visitors: Provided that there is no unreasonable interference with the rights or expressed preference of a roommate, a resident may have a visitor (one whose stay is for a few hours, but not overnight). The following guidelines and conditions must be met:

   a. It is the responsibility of the host to meet a visitor in the lobby, regardless of the time of day or night, and remain with that person at all times when the visitor is in the residence hall.

   b. All visitors must register by signing the visitor register and presenting a valid form of current photo identification, as stated in line 25. All visitors present in the building at 6:00 p.m. must be escorted to the hall attendant booth to sign in. All visitors in the building between the hours of 6:00 p.m. and 4:00 a.m. must be signed in at the hall attendant booth.

   c. When the visitor(s) leaves the residence hall, they must be escorted to the lobby by the host and must sign out in the visitor register.

   d. There may be no more than three visitors per host.

33. Overnight guests: Provided that there is a properly documented and approved guest pass on file, residents may have overnight guests (one who stays in the room overnight) of their roommates and other hall residents, there are limits to the duration and frequency of such visits. Overnight guests must follow the same guidelines and conditions met by visitors, as outlined above. In addition, the following guidelines and conditions must be adhered to:

   a. An overnight guest may not stay on campus for more than three consecutive nights.

   b. An overnight guest may not stay on campus for more than six days per calendar month.

   c. There may be a maximum of three overnight guests per host.

34. Overnight guest passes: In order to facilitate the entrance and exit of overnight guests, the host must obtain an overnight guest pass, which is available through the RAs and RHD, and submit the completed overnight guest pass to the residence hall director during posted office hours. The overnight guest pass permits the overnight guest to enter and exit the residence hall by showing the hall attendant the pass with a valid photo identification, as stated in line 25.

   a. Requests for overnight guest passes must be submitted to the RHD at least 24 business hours prior to the visit.

   b. An overnight guest pass will be issued for no more than three consecutive days or six days per month.

   c. It is the responsibility of the host to meet the guest in the lobby upon the guest’s arrival and escort the overnight guest at all times.

   d. Upon entering the building, the overnight guest who has a completed overnight guest pass must present both the overnight guest pass and valid photo identification to enter the building, but need not sign in with the visitor register.

36. Possible sanctions: Any member of the Adelphi community found to be in violation of the drug or alcohol policies in the residence halls will be subject to disciplinary sanctioning, which may include, but is not limited to, referral for counseling, disciplinary probation, educational sanctions, loss of University housing or suspension from the University, based on the merits of the case.

RUTH S. HARLEY UNIVERSITY CENTER

adelphi.edu/uc

The center of campus life, the Ruth S. Harley University Center, known by the community as “the UC,” underwent a major renovation beginning in the summer of 2019. For information, https://ucprogress.adelphi.edu/. The expanded facility will enhance the student experience and serve as a hub of campus activity. The expanded and updated UC will offer amenities including:

- A state-of-the-art ballroom for large meetings and events
- A lactation room and gender-neutral bathrooms
- Improved accessibility and modernized technology
- A full Starbucks, open to the public
- Video recording and new technology for conferences
- A beautiful outdoor amphitheater with space for dining, outdoor classes or lounging

In addition, it will include a completely redesigned contemporary art gallery with twice the exhibition space, enhanced by improved lighting and climate control, and additional space for the display of artwork throughout the building.

In keeping with Adelphi’s commitment to sustainability, the University chose to renovate rather than rebuild the UC, and the project includes use of recycled and bio-based materials whenever possible. We look forward to the opening of this beautiful addition to the Garden City campus.

HEALTH AND SAFETY

HEALTH SERVICES

Waldo Hall
adelphi.edu/health | Campus ext. 6000
Email: healthservicescenter@adelphi.edu

Hours: Health Services is open Monday to Friday. The hours vary according to the Academic Calendar. Please see health.adelphi.edu for the most up-to-date hours.

Services

Nurse practitioners can diagnose and treat students on campus for illness and injuries.

The center provides a multitude of services to the campus community throughout the year, including routine gynecological care, athletic clearances, sick visits, vaccines and laboratory work, as well as ongoing health and wellness education programs.

In addition to the services offered by the center, the Health and Wellness Peer Education program assists students through mentoring and programming. (See separate section on page 39 for more details.)

Health Portal

All registered students may access sections of their electronic medical record, self-schedule appointments, waive/enroll in Adelphi student health insurance, and upload documents. Go to eCampus services and add the Health Portal to your eCampus dashboard.

Insurance

adelphi.edu/health-insurance

Every registered student, undergraduate or graduate, has the option to purchase student health insurance at the beginning of their school year or in the event of qualifying circumstances. Students who do not have medical insurance coverage, or are no longer covered under their parents’ insurance plan and wish to enroll in Adelphi’s plan, must do so by October 1 for the fall semester and March 1 for the spring semester. There is also an opportunity for dependents of insured students to purchase insurance coverage.

Do I have to purchase the Adelphi student health insurance?

No. Only resident and international students are required to have health insurance. If you have proof of another policy, you can waive the school’s health insurance.

Important semester deadlines to waive student insurance:

• October 1, for students starting in the fall semester
• March 1, for students starting in the spring semester

The fall enrollment is a full-year policy. No refunds will be granted if the student remains for only half a semester, and the policy remains effective as to the student for the full year.

All resident students and international students are automatically enrolled in the school health insurance policy and billed to the student account, unless proof of insurance has been provided and a waiver is completed. If students have their own insurance with comparable coverage and wish to waive the student health insurance, they must complete the online waiver at adelphi.edu/health-insurance.

The deadline for waiving insurance for the fall semester is October 1; for new students in the spring, the deadline is March 1. There are no exceptions to the waiver deadline.

Visit the Health Services Center website at adelphi.edu/health-insurance for information about insurance, or students may contact the Health Services Center at campus ext. 6000.

Immunizations and Health Standards

As a new student, you must meet New York state immunization requirements. The following forms are sent out with the accepted student’s packet and can also be downloaded from the center’s website at adelphi.edu/health/forms or picked up from the center in Waldo Hall:

- Required Proof of Immunization

  In order to attend classes, New York state requires students who were born after January 1, 1957, and who are registered for 6 or more credits, to provide the following proof of immunization:

  • Measles: Two doses of live measles vaccine given no more than four days prior to the first birthday and, after 1967, physician-documented history of the disease, or a titer (blood test) showing immunity

About the Department
The Adelphi University Department of Public Safety and Transportation, located in Levermore Hall, Suite 113, provides public safety services 24 hours a day, seven days a week, 365 days a year. The department is led by an executive director and staffed with associate directors, managers, supervisors and officers, many of whom possess prior law enforcement experience. The department provides a variety of services, including patrol, crime prevention, transportation and parking. Public safety officers provide vehicle, bicycle and foot patrols of the entire campus, including parking lots, buildings and residence halls; protect life and property; in concert with Health Services, ensure that those sick or injured receive prompt medical treatment; respond to and investigate reports of traffic violations, traffic regulations and fire safety and conduct crime prevention programs and seminars. Jurisdiction is limited to the interior and the sidewalk perimeter of the Garden City campus and Parking Field 9 (Garden City pool), a noncampus location. Each of the off-campus centers provides security only for the interior space that is leased by the University.

The Department of Public Safety and Transportation maintains a close working relationship with the Garden City, Hempstead, Nassau County, Suffolk County, Poughkeepsie and New York City police departments, all of which provide police services, including criminal investigation and emergency services. Although Adelphi public safety officers are not peace officers and therefore do not have authority to make arrests as such, they do provide crime scene services pending the response of the law enforcement agency concerned. Officers have the authority to issue parking and moving violation summonses on campus and have the authority to request identification of persons on campus. The University maintains a Memorandum of Understanding with the Garden City Police Department, which has geographical jurisdiction to investigate alleged criminal offenses that occur on the main campus in Garden City. The police department and the University’s Department of Public Safety and Transportation communicate on an almost daily basis, discussing types of incidents occurring on or in proximity of the campus.

Furthermore, the department has a close working relationship with members of the New York City Police Department’s first precinct, covering the Manhattan Center; the Suffolk County Police Department, covering the Hauppauge Center; and the Poughkeepsie Police Department, covering the Hudson Valley Center. Each department is contacted annually or as needed to ascertain whether any Clery crimes (Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act) occurred that impact reportable crimes. In addition, the Department of Public Safety and Transportation maintains close relationships with other local, state and federal law enforcement authorities.

Campus Security and Fire Safety Report: Adelphi University’s Annual Security and Fire Safety Report includes statistics for the previous three calendar years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Adelphi University; and on public property within, or immediately adjacent to and accessible from, campus. More detailed information can be found at adelphi.edu/safety.
Alert Beacons
The integration of “alert beacons” to the existing Adelphi Alert (RAVE) platform has increased the University’s capability to reach a wider audience, while simultaneously reducing the time it takes to send timely and actionable information in the event of an incident affecting the campus community.

The alert beacons are strategically located in the common areas of public use spaces throughout campus and are easily identifiable in that, when activated by Public Safety Officers manning the Public Safety Command Center, the beacons emit an alert tone and signal through the use of a strobe light, red flashers and an alert siren. A predetermined message is simultaneously displayed on the screen, which provides information as to the nature of the emergency and what actions to take.

Beacons are currently located in the following spaces:
- Alice Brown Early Learning Center
- Alumni House
- Center for Recreation and Sports
- Hy Weinberg Center
- Manhattan Center
- Nexus Building
- Adelphi University Performing Arts Center
- Swirbul Library
