NEW STUDENT ORIENTATION

CSI develops and implements all new student Orientation programs at Adelphi University. CSI provides programs that give incoming students and parents the information, tools and opportunities for an easy transition to college life.

During Orientation, lasting friendships and memorable experiences are created. Students become familiar with the campus, meet with advisers and register for classes—ready to pursue their academic journey as soon as the semester begins.

FAMILY WEEKEND

CSI coordinates and promotes a weekend of University activities for current students, their families and the Adelphi community. The weekend includes athletic games, Spirit Carnival, student performances, entertainment and off-campus trips, and culminates with the crowning of the king and queen.

COMMENCEMENT

The culmination of the student’s journey is celebrated by the Adelphi community at Commencement. CSI furnishes information and materials to make this commemoration an enjoyable and memorable experience.

PANTHERTAINMENT

Adelphi encourages students to participate in activities both on and off campus. PantherTainment is a hub for Center for Student Involvement activities and general University information.

At PantherTainment, throughout the semester, students will find available:

- Discounted movie passes
- Professional sporting event tickets
- Broadway show tickets
- On-campus and off-campus event tickets
- Campus information
- Umbrella Lending Program

All tickets are purchased online at adelphi.universitytickets.com.
WHAT IS CSI?
The Center for Student Involvement (CSI) is the hub of campus life at Adelphi University. The center houses myriad programs and activities, providing assistance to students from the first day of Orientation to the culmination of the Adelphi experience at Commencement.

To provide the foundation for a cocurricular education, students can obtain information from CSI for the following:

- Campus life and activities
- Cocurricular transcript
- Student leadership services
- Greek life and social fellowships
- Multicultural affairs
- Transfer student services
- Commuter student services
- Civic engagement and service programs
- New Student Orientation
- Family Weekend
- PantherTainment
- Commencement

CAMPUS LIFE AND ACTIVITIES

Campus life is an essential component of a student’s college experience, and CSI provides the means to get involved. More than 80 student clubs and organizations are available at the University, meeting a variety of interests—from student government to community service. Whether commuter or resident, every student is encouraged to become part of the campus community through the support services available from CSI.

CSI is located in the Ruth S. Harley University Center (UC)—a centralized hub for student activities.

GETTING INVOLVED

Getting involved in campus life enhances the student’s college experience and provides an opportunity to develop leadership skills and a chance to bond with fellow classmates. There are more than 80 organizations on campus, including academic, social, community service and religious-based clubs, as well as Greek life and honor societies. If you can’t find a student organization that interests you, there is a simple process for starting a new one. The Center for Student Involvement provides a centralized location for students to learn about student organizations and upcoming events.

In addition to student organizations, there are numerous student programming events that take place daily, including novelty vendors and performers, parties, comedy shows, coffeehouses, lectures, off-campus trips and more. For more information about organizations, visit MyAULife.

GREEK LIFE AND SOCIAL FELLOWSHIPS

Greek life at Adelphi University consists of all the recognized fraternities, sororities and social fellowships. Greek organizations offer an environment that enhances the learning experiences available on campus. They highlight the finest qualities among men and women: scholarship, leadership, a responsibility to their community and lifelong friendship.

Membership in a fraternity, sorority or social fellowship can be among the most rewarding collegiate experiences and, with a diverse array of organizations to choose from, CSI encourages all students to consider Greek life.

COMMUTER STUDENT SERVICES

Through Commuter Student Services, as well as the Commuter Student Organization and the Commuter Assistant Program, commuter students can learn how to become involved in campus life. Services include maps, transportation timetables, a commuter hotline and many more resources. For those unplanned circumstances, the office will lend helpful tools such as ice scrapers and umbrellas.

Commutes can relax between classes in the Angela and Barry Zeman Commuter Student Lounge in the Ruth S. Harley University Center, where they have access to computers, printers, lockers, a big-screen TV and microwave ovens. Additional lounge areas are situated throughout the campus.

TRANSFER STUDENT SERVICES

Transfer-specific advising, events and workshops provide transfer students the support they need to successfully transition to Adelphi. The range of services and programs includes Transfer Transition Day, transfer meet-and-greet opportunities and an opportunity to become a member of Tau Sigma National Honor Society, which is exclusively for transfer students.

STUDENT LEADERSHIP SERVICES

CSI is committed to offering all Adelphi students an opportunity to grow and become leaders. Adelphi has a number of programs, including the Leadership Certificate Program, through which students attend various workshops to enhance their leadership skills and career expectations.

In addition to other programs that allow students to develop strong leadership skills, CSI works diligently to develop opportunities for students to gain recognition for their leadership involvement. Recognition opportunities include Who’s Who Among Students in American Universities & Colleges and an opportunity to be acknowledged as Adelphi’s student leader of the month.

CIVIC ENGAGEMENT AND SERVICE PROGRAMS

CSI offers a wide array of programs for students who are interested in volunteering and participating in service projects in the community. Through collaboration with community organizations, CSI serves as a resource for students who want to help others. CSI facilitates programming that provides students with opportunities to perform both indirect and direct service.

Service initiatives developed by CSI include, but are not limited to, Relay for Life, the Freshman Community Action Program, Adelphi Gives Back Month, blood drives and alternative winter and spring service trips.

MULTICULTURAL AFFAIRS

Multicultural Affairs promotes an inclusive and socially just environment. Programming explores the intersection of social identities, such as race, gender, sexual orientation, class and spiritual diversity. CSI also offers advocacy, social justice and cultural programming, affinity spaces, workshops and training sessions. Programs are open to all members of the Adelphi community.
