Dear Adelphi Student,

Welcome to the Adelphi University family! You have joined a diverse, vibrant and distinguished community of students, faculty and staff, and a supportive alumni network of more than 115,000 around the world.

Together with the faculty and administration of Adelphi, I recognize that you will balance the demands of life and your studies, and we are dedicated to your success. I hope this handbook is a useful guide that addresses many of your initial questions, but I encourage you to call 1.800.ADELPHI (233.5744) if you’re in need of support and guidance.

I wish you success on your academic journey at Adelphi and look forward to seeing you on campus.

INTRODUCTION

Welcome to Adelphi!

As a new graduate or adult student, please know that Adelphi University is committed to assisting your transition to this exciting education experience. Whether you are attending the main campus in Garden City or at one of the University’s other centers in Hauppauge, Manhattan or the Hudson Valley—or perhaps your classes are online—we welcome you to the Adelphi community of scholars.

This handbook was developed with the graduate and adult student in mind. We hope this resource will help guide you through your studies at Adelphi University. As no handbook can be completely comprehensive, follow the links for additional information and visit adelphi.edu for current details.

In addition to the Graduate and Adult Student Handbook, many graduate programs have specific handbooks or similar resources to guide you. A complete list of the contacts for Adelphi University graduate programs is included on the next few pages. Contact your graduate program for resources available to you.

For College of Professional and Continuing Studies (CPCS) students, there are also specific guidelines for your adult experience in this program. To assist adult students seeking to begin or complete their undergraduate degrees, CPCS offers personalized academic advising, an adult-friendly admissions process, and credit for work and experience. These services, plus high retention and graduation rates, are all hallmarks of the CPCS experience.

Additional information for all students is available in various Division of Student Affairs publications, particularly in the Guide to Student Life. Visit students.adelphi.edu/handbooks to access online copies of these publications.

Academic information can be accessed at catalog.adelphi.edu.

ACADEMICS

ACADEMIC SERVICES AND RETENTION

Nexus Building, Room 145  
academic-services.adelphi.edu | Campus ext. 3150  
Email: oasr@adelphi.edu

Hours: Monday–Thursday, 8:00 a.m.–5:00 p.m.;  
Friday, 8:00 a.m.–4:30 p.m.  
Summer, winter break and when classes are not in session, 8:00 a.m.–4:30 p.m.

The professional academic advising staff in the Office of Academic Services and Retention is committed to helping students craft a coherent educational plan that allows them to reach their academic goals and make timely progress toward completing their degrees. While upholding the integrity of the University’s academic standards, students are encouraged to take responsibility for their academic choices and decisions in preparation for their careers, for citizenship and for their future lives.

Core Values*

Consistent with the National Academic Advising Association (NACADA, 2017), the professional advising staff in the Office of Academic Services and Retention (OASR) has adopted the following core values:

Professionalism: Academic advisers act in accordance with the values of the profession of advising for the greater good of students, colleagues and the University community.

Integrity: Academic advisers act in accordance with ethical and professional practices. Advisers value honesty, transparency and accountability to the student, the institution and the advising profession.

Inclusivity: Academic advisers respect, engage and value a supportive culture for diverse populations through openness, acceptance and equity.

*Adapted from the NACADA Core Values (2017). Retrieved from nacada.ksu.edu/Resources/Pillars/CoreValues.aspx.

Among OASR’s responsibilities are to:

- Provide students with advisement and work closely with faculty advisers.
- Help each student reach their academic and personal goals.
- Monitor academic standards and procedures.

ACADEMIC ADVISEMENT

Academic Advisers

Academic advising is central to the educational mission of Adelphi University. Advisement is a continuous process that begins with first-semester registration and culminates in graduation. It challenges and supports students as they examine, determine and achieve their educational goals and encourages students to take ownership of their intellectual journey.

While all students must have their schedule approved by their adviser before they can register, course selection is just one part of the advising process. Understanding how a student will develop as an educated person is an essential part of an adviser/advisee relationship.

For additional information, visit adelphi.edu/advise.

Graduate students should contact their academic department and meet with the adviser for guidance on course registration and requirements.

Students in the College of Professional and Continuing Studies (CPCS) who do not have an adviser should contact the CPCS office at 516.877.3412 or visit cpcs.adelphi.edu.

Undergraduate students must declare a major when they reach 60 credits. If you do not have an adviser and have declared a major, contact your major department.

For the name of your adviser, visit CLASS and open the My Adviser link. Contact your department for additional advisement information.

Alerts for Academics

The alert system is designed to help students seek out academic guidance during the semester before it gets too late. A professor can issue an alert at any time, and both the student and their adviser will be notified by email when a student receives an alert. It is important to note that alerts are designed to help identify students who are
having academic difficulty in their class and get them on the right track for success. The alerts do not appear on a student’s final transcript.

**PRE-PROFESSIONAL ADVISEMENT AND FELLOWSHIPS**

*prepare.adelphi.edu*

The Office of Pre-Professional Advising and Fellowships provides support and individual advising for current students and recent graduates who are seeking admission to professional school beyond Adelphi in the areas of dentistry, engineering, law, medicine, optometry, pharmaceutical studies, physical or occupational therapy, podiatry, and veterinary medicine.

A strong liberal arts and sciences education is the best preparation for professional careers, including law and medicine. Students contemplating or planning to pursue careers in law and the health professions can receive guidance from pre-professional advisers established for this purpose.

In addition, the office can assist in the application process for fellowships that require institutional support and can provide information and assistance on locating funding opportunities for post-Adelphi study.

In addition, the office has developed several early decision/joint degree programs with schools representing many of these professions that can provide an easier transition to specific graduate schools.

**COURSE REGISTRATION**

Registration is the process by which the Office of the University Registrar certifies the enrollment of students in courses of study and verifies their right to use the University’s available services. To access registration information, and to register for courses, log in to *ecampus.adelphi.edu* and access CLASS via the Services tab.

The Directory of Classes can be found online. Click on the link for online course search to search for courses by semester. You can also go directly to *adelphi.edu/course* to access a course search.

There is a registration schedule according to the number of credits earned. The *Course Listing, Advising and Student Service (CLASS)* system will allow you to select your courses and submit your registration at your appointed registration time. Important information regarding registration as well as graduate registration dates and times can be found at *adelphi.edu/grad-reg*.

For specific semester dates and deadlines, refer to the University’s academic calendar at *adelphi.edu/calendar*.

**INDEPENDENT STUDY**

The purpose of independent study is to pursue an academic interest not adequately covered by the regular course offerings. Students must register for independent study during the regular registration periods and never later than the last day to drop courses. Each College and School has separate requirements concerning independent study. Information concerning these requirements is listed by School. Independent study may not be taken pass/fail.

**ACADEMIC PROCEDURES**

**Adding Courses**

Students who wish to add a course to their program after they have processed their initial registration can add the course using the CLASS system until the deadlines stated on the academic calendar. Students are advised that there is a fee for adding courses and that there may be additional tuition charges.

**Dropping Courses**

Students who wish to drop a course from their program after they have processed their initial registration can do so using the CLASS system until the deadlines stated on the academic calendar. Students are advised that there is a fee for dropping courses. Dropped courses will not appear on the transcript. Students should be aware that their status as a full-time student will be affected by dropping courses if their resulting credit load is less than 12 credits. It may also affect their financial aid.
Unfinished Coursework
The designation I (Incomplete) will be issued when the student has not completed the course requirements by the end of the semester and has obtained permission from the instructor to take additional time to complete the coursework. The incomplete designation I may be used by instructors only if a student has been excused from the completion of course requirements because of illness or other exceptional, compelling circumstances. Students may have no more than 12 months after the end of the semester in which the grade was given to resolve incompletes. Unresolved incompletes convert to F’s after this time. This then becomes the final grade.

Withdrawing From Courses
Withdrawals from courses are possible after the deadline to drop courses but no later than the ninth week of the semester, the third week of a summer term or the second week of a one-month term. Students who wish to withdraw from a course must complete an Action Request Form, obtain appropriate signatures of academic approval and process the form in the Office of the University Registrar by the deadlines stated in the academic calendar. Withdrawals from courses appear on the transcript as a W. Nonattendance in a course does not constitute an official drop or withdrawal from a course. The student’s failure to drop or withdraw properly from a course does not preclude the instructor from submitting a grade for the student on the basis of the work previously submitted.

Withdrawal for Medical Reasons
Students requesting a withdrawal from the University because of medical reasons must submit the appropriate medical documentation and a letter requesting a medical withdrawal to the Office of Academic Services and Retention. This must be done during the semester for which the leave is requested. Students approved for Medical Withdrawal might have a credit posted to their account to be applied toward future semesters. All unused credit will be forfeited after one year of issuance and tuition and fee charges will not be refunded. Students who withdraw from the University for medical reasons will be dropped from all of their courses. Students wishing to return after a Medical Withdrawal must submit medical documentation clearing them for return to the Office of Academic Services and Retention. Adelphi University retains the right to obtain supplemental medical information.

For medical withdrawal instructions, visit academic-services.adelphi.edu/forms.

Medical withdrawal dates:
Fall 2019: November 11
Spring 2019: April 10

Any student requesting a medical withdrawal for the fall semester must have it submitted by November 12, 2018.

Academic Petitions
Academic regulations are established by the University to maintain and enforce academic standards, and are rigorously adhered to. Petitions are requests for an exception to an academic rule or deadline, and are only granted under special and unique circumstances. Any student has the right to petition to waive a regulation. The University similarly has the right to disapprove any petition on the grounds that the circumstances are not compelling enough to warrant an exception to the established regulation.

After consulting with your adviser, you must file your petition with the dean of your school. Undeclared students should file through the College of Arts and Sciences. The request must be in writing and you must document the extraordinary circumstances that necessitate the petition. The dean may approve or deny the petition, after which it is forwarded to the Associate Provost for Student Success for a final decision. Any student petition for retroactive action must be submitted within one year.

For specific contact information of academic departments, visit adelphi.edu/petition.

ACADEMIC SUPPORT SERVICES
To support classroom studies, students have available online and in-person support services. (See the Support Services section for information about the Student Access Office, Support Services and Information Technology.)

LEARNING CENTER
learning.adelphi.edu
Nexus Building, Suite 132
516.877.3200
The Learning Center offers free academic support in the following areas:
• Content-specific tutoring (help with specific course material or assignments)
• General tutoring (basic academic skills like time management, note taking, study skills, reading comprehension and strategies)
• Satellite academic programs tailored to specific academic needs
• These services can help students who are having academic difficulty or those who are doing well and want to develop or refine their skills (particularly in advance of study at the postgraduate level), increase their knowledge and/or raise their GPAs. Programs run on all campuses and may include:
  • One-on-one and small group tutoring (either in person or via video chat) with highly qualified, extensively trained undergraduate and graduate students across the curriculum
  • Workshops in areas of special interest
  • Specialized resources for practice and training

Online scheduling allows for convenient management of appointments and registration for supplementary programming.

**Learning Center Services at Adelphi Campus Site**

Online tutoring through the Learning Center is available to students attending the Hauppauge, Hudson Valley or Manhattan centers. The Manhattan location also has limited in-person tutoring during the fall and spring semesters. Students can access the scheduling system either through the Learning Center icon in eCampus or via the website, learning.adelphi.edu.

**WRITING CENTER**

Nexus Building, Suite 129
writing.adelphi.edu

The Writing Center on the Garden City campus is open during the fall and spring semesters.

516.877.3200

**Hours:**
Monday–Thursday, 9:00 a.m.–7:00 p.m.
Friday, 9:00 a.m.–5:00 p.m.

Tutors are available at Swirbul Library on the Garden City campus Monday through Thursday evenings, 3:00 p.m. to 7:00 p.m. or by appointment.

The Writing Center helps students of all abilities learn to use writing more effectively within their programs. The staff of trained peer tutors works with students in the process of writing term projects, theses or other assignments in all disciplines. However, we are not a proofreading or editing service. Students may make an appointment or simply drop in. Standing appointments and long-term arrangements can be made for those working on larger projects.

You can schedule an appointment at the Writing Center by visiting writing.adelphi.edu and registering for an account. Once registered, you’ll be able to reserve an appointment with a Writing Center peer tutor. Tutoring sessions are generally 45 to 60 minutes and are free to current Adelphi students.

The Writing Center also offers other resources, including a computer lab and printer, a library of composition handbooks, and a variety of citation style guides and useful handouts.

**Writing Center Services at Adelphi Centers**

Students attending the Hudson Valley, Manhattan and Hauppauge centers can schedule an interactive tutoring appointment through our Online Scheduling System with a Writing Center tutor. For an online tutoring session, you’ll need a reliable Internet connection, video camera (webcam), microphone and speakers connected to your computer or device.

Students can also get feedback on assignments online using the Writing Center’s Digital Dropbox.

For these and all services, visit writing.adelphi.edu.

Digital Dropbox services are available to all Adelphi students to privately upload a current assignment to a writing tutor, who will provide written feedback based on your concerns and offer suggestions for future drafts. For details, visit writing.adelphi.edu/tutoring/digital-dropbox.

The University Libraries are composed of Swirbul Library, the University Archives and Special Collections, and the libraries at the Manhattan, Hauppauge and Hudson Valley learning hubs. The libraries offer facilities, resources and services in support of the instructional, research, cultural and student life programs of the University. They are dedicated to providing information and instruction as a central and integral part of the total educational experience of every student.

The libraries provide state-of-the-art information systems and services which include e-books, streaming content, electronic full-text journals and document delivery services. The Adelphi Library Catalog (Alicat) system provides online access to the libraries’ holdings. Adelphi’s membership in ConnectNY permits direct borrowing of books owned by the 18 member libraries. Members of the library faculty are available to provide instruction in the use of the libraries and their resources.

Services

Swirbul Library serves as the main library, with particular strengths in the humanities, social sciences and professional studies. Science materials include collections in the areas of physics, chemistry and biology. The Aimee Ornstein Memorial Collection represents an outstanding collection in the areas of banking, money management and finance. Swirbul Library houses Research and Instruction Services, Access Services (nonprint, circulation and reserve), periodicals, microforms, Smart Delivery (interlibrary loan) and document services, a curriculum materials center, classrooms, computer laboratories, the Information Commons, and the 3D Studio.

Collections are maintained in the libraries at the Manhattan, Hauppauge and Hudson Valley centers in support of the academic programs offered at those sites.

University Archives and Special Collections is a department of University Libraries and is located in Residence Hall A, adjacent to Swirbul Library. The University Archives collects, holds, preserves and makes accessible the historical records of Adelphi University, documenting the history of the University, its students, faculty and administration.

Special Collections houses and provides access to Adelphi University’s rare books, manuscripts, and other unique, rare and primary source materials, covering a wide variety of subjects and historical periods. Among the notable special collections at Adelphi are those on the English radical political journalist William Cobbett, the satirist and social reformer William Hone, the pioneering dancer and choreographer Ruth St. Denis, and former New York Lieutenant Governor Timothy Woodruff. Areas of particular strength include the Spanish Civil War, Panama Canal history, the American antislavery movement, children’s illustrated books, and the social, political and cultural history of Long Island. Among recently added collections are the Horace Hagedorn Papers and the archives of former Long Island Congresswoman Carolyn McCarthy.

Collaboration Studios

The Collaboration Studios are located on the first floor of Swirbul Library and are designed for group study for current Adelphi students. There are 10 studios; two have wheelchair accessibility. Studios can be reserved for group study through the online reservation system for two hours daily.

The studios offer flat-screen monitors and dry-erase writable walls. Students can plug in their own devices (including tablets, laptops and smartphones) or check out a laptop at the Access Services Desk.

3D Studio

The 3D Studio is located in Swirbul Library. For information, see the IT section, page 28, or visit it.adelphi.edu/3d.

Quiet Study Areas

Quiet study areas are located throughout the library. The Aimee Ornstein and Mrs. Thomas J. Lovely lounges are located on the first floor and are designated quiet rooms. Study carrels are located throughout the stack levels and provide quiet areas for individual study. The McMillan Viewing Rooms are available for viewing media or quiet study.
University Library Borrowing Privileges

Borrowing: Books from the open stacks may be checked out to students with a current Adelphi University ID card.

Loan Period: The standard loan period for most books is, with a few exceptions, 28 days. Extended loan periods are available to doctoral students. Reference books and periodicals do not circulate. DVDs are loaned for seven days.

Checking for Availability: All library materials are listed in Alicat and OneSearch, the library's automated online catalog. Alicat is also used in the circulation process so that the availability of materials can be checked. Just select the appropriate choice. Library materials that are available for circulation are marked “on shelf” in the status field on the screen. Library materials that have been borrowed by other library users display a due date on the screen. These materials may be placed on hold. See the section on Holds.

How to Return Books: Books may be returned to the Access Services Desk at Swirbul, to the book slots in the library or to the circulation desks of the libraries in Hauppauge, Manhattan and Hudson Valley. When Swirbul Library is closed, books may be returned to the exterior book drop.

Overdue Charges: There is a grace period of three days for overdue circulating books. After three days, there is a charge of 20 cents per day for the first 10 days. On the 11th day, the charge is $1 per day from the date the item was due to the date it is returned. The maximum overdue charge for each circulating book is $100. DVD recordings are charged at $1 per day. The maximum overdue charge for each circulating DVD is $50. Reserve books are charged at 50 cents per hour for the first two hours, then $1 per hour. The maximum overdue charge for each reserve book is $100.

Renewals: Books can be renewed for 28 days from date of renewal, up to twice. Renew online (within one week of due date) or in person at any of the Access Services desks (Swirbul, Hauppauge, Manhattan). Online renewals can take place from one week to the day that a book is due. Sorry, no requests by phone or email, or if a hold is placed or a fine is outstanding.

Recalls: All materials are subject to recall by library staff after 14 days. When a book has been recalled, the borrower will receive a Recall Notice through Adelphi email; the book must be returned by the new due date. The charge for overdue recalled books is $1 per day.

Searches for Missing Books: Requests for searches are accepted at the Access Services Desk for books that are listed in Alicat as “on shelf” but are not found in the stacks. The Access Services staff will then conduct a thorough search and notify the user through Adelphi email regarding the status of the item.

Holds: If a book is checked out to another library borrower, a hold may be placed on that item. The patron will be notified through Adelphi email of its return and will be given one week to come in to borrow it.

ConnectNY: ConnectNY is a unified online catalog of independent academic libraries in New York State, with combined holdings of over 8 million books. Before filling in an Interlibrary Loan request for a book in Alicat, please click on the ConnectNY (C-NY) icon. If the book you want is available at any other member library, you can request it yourself. ConnectNY overdue fine(s) are $1 per day for each book. The maximum overdue fine is $100 per book. The loan period for C-NY books is 42 days with one renewal.

Smart Delivery (Interlibrary Loan): If you are unable to find the journal or book title you need in the University catalog, or if the item is not owned by the University, you may request that it be obtained for your use from another library outside of Adelphi. For more information, please contact Smart Delivery (Resource Sharing) at 516.877.3571.

Referrals: If the Adelphi University Libraries do not own the journal or book you need and you cannot wait, a librarian at the reference desk can direct you to a nearby library that owns the needed material.

Lost Materials: If any library material is lost, it must be reported immediately. The charge for lost material is the cost of the item, a $15 processing fee, plus the overdue charges accrued to the date the item is declared lost.

Damaged or Mutilated Materials: If library material is returned in such poor condition that it can no longer be circulated, the borrower is responsible for replacing the material. The charge to the borrower is the cost of the material plus a $15 processing fee.

Long-Overdue Materials: Any library material not returned within a semester after the due date will be declared lost. The borrower will be responsible for the cost of its replacement. The charge is the cost of the item, plus the $15 processing fee and the $100 maximum overdue charge.
**Penalties:** Failure to return library materials or to clear outstanding records will result in the holding of students’ grades, official transcripts and/or diplomas. The library reserves the right to suspend students’ borrowing privileges when they accumulate overdue charges of $15 or more, have overdue reserve items or have failed to return overdue recalled items.

**Adelphi University Mentoring Program**

The Adelphi University Mentoring Program was created to help ensure academic success. Open to all students at any phase of their undergraduate career, but ideally within their first year, the program was designed to help students of color, LGBTQ+ students, veteran students and students who may be the first in their families to attend college to fulfill their highest potential through academic, social and professional development with the guidance of a mentor. There is no GPA requirement and students qualify by being a current/active (fully registered and taking classes) undergraduate student. On a case-by-case basis and based on mentor availability, graduate students may participate as mentees. For next steps, which include an application and orientation/training, students should contact the director and trainer of student mentoring at adelphi.edu/mentoring or 516.877.3182.

**Bridges to Adelphi**

Earle Hall B, Lower Level bridges@adelphi.edu 516.877. 4181

Bridges to Adelphi offers comprehensive individualized, academic, social and vocational support services for Adelphi students who self-disclose with diagnoses of autism spectrum disorder or other nonverbal learning disorders.

Bridges to Adelphi, which is a fee-based program, helps students transition from high school to college by maximizing their areas of strength and creativity and then helps them understand how to get on the road to college success.

Because Adelphi prides itself on its diversity and inclusivity, the Bridges program promotes awareness and understanding on campus through trainings and collaborations with University clubs and organizations, faculty, staff and students, and in the community through educational, social and vocational collaborations. For details, visit bridges.adelphi.edu.

**GRADUATION REQUIREMENTS AND DEADLINES FOR FILING**

**Graduation**

All students must apply for graduation by the designated deadlines. Commencement requires a separate application. For details on both the graduation and Commencement applications, visit adelphi.edu/graduation.

**Graduate Student Requirements**

The graduate student requirements vary according to the program. Students are encouraged to familiarize themselves with these requirements by visiting the department office or the appropriate website.

For additional details about graduation requirements, visit adelphi.edu/graduation.

**Undergraduate Student Requirements**

**GPA Required for Graduation**

Undergraduate students who have completed the minimum number of credits required by their major for graduation and attained a cumulative GPA of 2.0 to 3.0, depending on the major, may apply for graduation. Specific requirements for each degree will be found in the University Bulletin under the appropriate School/College and department. Visit catalog.adelphi.edu.

Go to the online graduation application or download the print application for graduation (PDF) at adelphi.edu/graduation.

Degrees will not be conferred upon students who have not applied for graduation.

**Determination of Graduation Requirements**

Normally, matriculated students follow the graduation requirements established in the bulletin under which they are admitted to the University; however, students who interrupt enrollment for two or more consecutive semesters (fall and spring) are governed by the bulletin in effect when they are readmitted. Requests for exceptions are reviewed by the appropriate academic dean.
Residence Requirements (Undergraduate Students Only)

A student must complete the final 30 credits toward a degree at Adelphi in order to be eligible for the degree.

Undergraduate students who transfer credits in excess of 64 from two-year colleges may apply only 64 of those credits toward a baccalaureate degree to be awarded by Adelphi University. (See statement regarding graded credits in Latin Honors.)

ACADEMIC AWARDS AND HONORS

Latin Honors (Undergraduate Students Only)

An undergraduate student whose cumulative GPA is between 3.3 and 3.599 may graduate with honors (cum laude); whose cumulative GPA is between 3.6 and 3.849 with high honors (magna cum laude); whose cumulative GPA is 3.85 and above with highest honors (summa cum laude).

In addition to the cumulative GPA, 56 Adelphi credits of graded courses—excluding “P” (Pass) grades—must be completed for a student to be considered for Latin Honors.

If a student has 56 earned hours at Adelphi but was required, for completion of the major, to take a major course offered only on a Pass/Fail basis, the student may request the Registrar to calculate the cumulative GPA (for purposes of determining Latin Honors only) based on all grades and coursework taken both at Adelphi and other institutions.

Departmental or School Honors

Students graduating with the highest averages in their major may be nominated for departmental or school honors, provided that the GPA of the nominated student is 3.5 or above for courses taken in that department. A student must have completed 30 credits in a major field to be eligible for departmental or school honors.

FINANCIAL ASSISTANCE

financial-aid.adelphi.edu

All financial assistance awards are made based on the information available as of the date of the financial assistance award letter. Adjustments to a student’s financial assistance award may be made at the discretion of the Office of Student Financial Services. Some common reasons for adjustments to the financial aid budget are: changes in living arrangements (e.g., if the student moves from University housing to private housing) or changes in enrollment (e.g., enrolling part time when full time was originally indicated on the admissions application). Other reasons for changes to the financial aid package include receipt of documentation of incorrectly reported income and asset information, receipt of additional scholarships or grants from either outside sources or from the University, or any other changes in information that, in the opinion of the Office of Student Financial Services, justifies a change in the financial aid package.

The Office of Student Financial Services should be notified of any significant recent change to the family’s financial situation after the completion of the Free Application for Federal Student Aid (FAFSA) if the student (or parents) believe it could affect the student’s eligibility for assistance.

Financial Assistance for College of Professional and Continuing Studies (CPCS) Students

Adelphi University’s Office of Student Financial Services is committed to helping you find the resources you need to fund your studies, and our numbers show our dedication. CPCS students are uniquely eligible for several grants and scholarships. For more information, visit cpcs.adelphi.edu/aid.

Responsibilities of Financial Assistance Recipients

Students receiving financial assistance have the following responsibilities:

- To complete the Free Application for Federal Student Aid (FAFSA) each academic year by the deadline prescribed by the University
- To meet the requirements of good academic standing and maintain satisfactory academic progress toward their degree
- If a student transfers from another institution to Adelphi University during the same award year, federal regulations require that we request through the National Student Loan Data System (NSLDS) updated information about any fall disbursements so that your spring disbursements are accurate and do not exceed federal guidelines. Your assistance package may change after review of your record on the NSLDS.
- To report to the Office of Student Financial Services any changes in enrollment status, changes of name or address, and receipt of any additional internal or external financial assistance

Financial Assistance Policies

All financial assistance awards are made based on the information available as of the date of the financial assistance award letter. Adelphi reserves the right to adjust the financial assistance package if the student receives financial assistance from sources not specified in the award letter, either from Adelphi or from outside sources.

The Office of Student Financial Services should be notified of any significant change to the
family’s financial situation after the completion of the FAFSA if the student (or parents) believe it could affect the student’s eligibility for assistance. Adjustments to a student’s financial assistance award may be made at the discretion of the Office of Student Financial Services. Some common reasons for adjustments are changes in budgets and awards (e.g., if the student moves from University housing to private housing), changes in enrollment (e.g., enrolling part time when full time was originally indicated on the admissions application), documentation of incorrectly reported income and asset information, changes in family circumstances, receipt of outside or academic scholarships or any other changes in information that, in the opinion of the Office of Student Financial Services, justifies a change in the financial assistance awards.

Students receiving institutional scholarships that exceed the cost of tuition may be subject to federal income tax on the amount by which the award exceeds tuition. We recommend that students check with their tax consultant for further information.

Institutional scholarships and grants are applicable to tuition and, in some cases, University fees. The University reserves the right to adjust the financial assistance previously awarded when these awards, in combination with other sources of assistance, exceed the cost of tuition and fees. Awards include, but are not limited to, external awards and state scholarships and grants.

Nondegree Students

Individuals registering for courses in the University without applying to the Office of University Admissions for degree status are considered nondegree students. The courses taken are considered to be for personal enrichment and the student is not eligible for any financial assistance.

Veteran Students

For financial aid guidelines, see Veteran Services on page 31.

International Students

Federal and state financial aid programs are limited to U.S. citizens and certain permanent resident aliens—persons with Forms I-151, I-551 (a green card) or I-94.

FAFSA Application Procedures

Students applying for financial assistance must complete the Free Application for Federal Student Aid (FAFSA) each year. Applications should be completed online at fafsa.gov. Applicants are strongly encouraged to use the IRS Data Retrieval Tool (DRT) if they are eligible to directly import their federal tax information. Using the DRT makes the process faster and more accurate and may eliminate the need to provide tax documents if the record is selected for federal verification.

All New York State residents are encouraged to apply for the New York State Tuition Assistance Program (TAP) grant. (Note: As of 2011, only undergraduate students are eligible for TAP.) Students will be presented with a link to the TAP application at the end of the FAFSA online. Follow this link to apply for TAP.

Application Deadlines

Eligibility for financial assistance cannot be determined prior to the student’s acceptance into an eligible program of study at the University.

Students must apply for financial assistance each year. Applications for all financial assistance programs should be made by all new and continuing students as soon as possible after October 1 each year. The various federal and state aid programs have deadlines that extend throughout the academic year, but by filing as soon as possible after October 1, you will maximize your access to certain limited aid programs.

Continuing students should file by January 1 each year and new students by March 1 in their first year and by January 1 each year thereafter. Applications made after these dates will only be considered if funds remain available.

Please note: Any student selected for verification who has not completed the federal verification process cannot receive federal financial aid or need-based University grants.

First-time students at Adelphi must complete entrance counseling and the Master Promissory note at studentloans.gov before Federal Direct Loan funds can be applied to their account.

Academic Requirements to Maintain Financial Assistance

Adelphi University, in compliance with federal and New York state regulations governing satisfactory academic progress, will review the records of all students who apply for financial
assistance. Recipients of financial assistance must be in good academic standing and must be making satisfactory academic progress. Failure to meet the established various criteria governing federal, state or institutional assistance will result in the loss of that source of financial assistance. Details concerning established criteria are available in the Office of Academic Services and Retention and the Office of Student Financial Services, or visit financial-aid.adelphi.edu/faq.

If a student is officially withdrawing from the University, the W grades will not count in the GPA. Hours attempted constitute all courses for which a student registers, including courses in which grades of F, I and W are given. Credits earned include all courses in which grades of A, B, C, D or P are given. Students who do not make satisfactory progress because they have failed to earn the required ratio of credits attempted to credits completed, due to grades of W, F or I, are not eligible for financial assistance.

The federal criteria and New York State Tuition Assistance Program requirements may vary from the University criteria governing University aid. A chart detailing these requirements will be included with each financial aid award letter. Contact the Office of Student Financial Services for more specific information.

For information on paying your bill, visit financial-aid.adelphi.edu/bill.

VETERAN SERVICES

Levermore Hall, Room 303
admissions.adelphi.edu/military
516.877.3411

Adelphi welcomes the opportunity to assist qualified veterans in their academic plans and preparations for the future. The University considers, on an individual basis, the needs, interests and purposes of veterans who desire higher education. The Post-9/11 G.I. Bill represents the largest expansion of education benefits to veterans since World War II. Eligible veterans can receive benefits to pay tuition, housing and textbook costs that could allow them to study at Adelphi for little to no cost. We’re a Yellow Ribbon school. Active, reserve and veteran military students using Post-9/11 G.I. Bill benefits or any other Veterans Affairs program benefits can apply and enroll in any of the associate, bachelor’s degree, credit certificate, master’s degree or doctoral programs across our eight schools.

This website, admissions.adelphi.edu/military/how-to-apply provides information on applying for veteran financial benefits. Reserve and veteran military students who enroll in undergraduate or graduate programs at Adelphi may be eligible to receive assistance from the VA to help pay for their tuition and fees. The U.S. Department of Veterans Affairs (VA) will determine the student’s eligibility for assistance and the amount for which they are eligible. The current maximum award that a student may receive if they are determined by the VA to have 100 percent eligibility is $23,671.94 (2018–2019 award). Please note: The veteran’s eligibility for the Yellow Ribbon Program must be determined by the VA, and not all eligible students will receive the maximum award.

The U.S. Department of Veterans Affairs Yellow Ribbon GI Education Enhancement Program (Yellow Ribbon Program), a provision of the Post-9/11 Veterans Educational Assistance Act of 2008, allows private universities to enter into
an agreement with the VA to provide additional assistance toward tuition and fees. Adelphi’s agreement with the VA is to contribute up to $2,500 per year which will be matched by the VA for a total additional assistance of up to $5,000. This additional assistance is calculated after all other forms of aid are deducted from tuition and fees. The total amount for which a student is eligible cannot exceed the cost of tuition plus university fees.

The College of Professional and Continuing Studies is coordinating Adelphi’s Yellow Ribbon Program participation. For more information, visit admissions.adelphi.edu/military or contact Christina Wease at cwease@adelphi.edu or 516.877.3411.

About the Department

The University Department of Public Safety and Transportation, located in Levermore Hall, Suite 113, provides public safety services 24 hours a day, seven days a week, 365 days a year. The department is led by an executive director and staffed with associate directors, managers, supervisors and officers, many of whom possess prior law enforcement experience. The department provides a variety of services, including patrol, crime prevention, transportation and parking. Jurisdiction is limited to the interior of the Garden City campus and Parking Field 9 (Garden City pool), a noncampus location. Each of the off-campus centers provides security only for the interior space that is leased by the University.

The Department of Public Safety and Transportation maintains a close working relationship with the Garden City, Hempstead, Nassau County, Suffolk County, Poughkeepsie and New York City police departments, all of which provide police services, including criminal investigation and emergency services. Although Adelphi public safety officers are not peace officers and therefore do not have authority to make arrests as such, they do provide crime-scene services pending the response of the law enforcement agency concerned. Officers have the authority to issue parking and moving violation summonses on campus, and have the authority to request identification of persons on campus. The University maintains a Memorandum of Understanding with the Garden City Police Department, which has geographical jurisdiction to investigate alleged criminal offenses that occur on the main campus in Garden City. The police department and Department of Public Safety have open lines of communication and continual interaction to ensure the safety of our campus environment and the surrounding communities.

Furthermore, the department has a close working relationship with members of the New York City Police Department’s first precinct, covering the Manhattan Center; the Suffolk County Police Department, covering the Hauppauge Center; and the Poughkeepsie Police Department, covering the Hudson Valley Center. Each department is contacted annually, or as needed, to ascertain whether any Clery crimes (Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act) occurred that impact reportable crimes. In addition, public safety maintains close relationships with other local and federal law enforcement authorities.

Campus Security and Fire Safety Report

Adelphi University’s Annual Security and Fire Safety Report includes statistics for the previous three calendar years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Adelphi University; and on public property within, or immediately adjacent to and accessible from campus.

More detailed information can be found at safety.adelphi.edu.

Lost or Damaged ID Cards
There is a $15 replacement fee for lost or damaged ID cards.

Note: The recent addition of an electronic ID card on AU2GO accessed through your smartphone is not meant to replace the physical ID card which must be carried at all times while on the Garden City campus or Adelphi’s other campuses.

Students who do not have medical insurance coverage, or who are no longer covered under their parents’ insurance plan and wish to enroll in Adelphi’s plan, must do so by October 1 for the fall semester and March 1 for the spring semester. There is also an opportunity for dependents of insured students to purchase insurance coverage.

Do I have to purchase the Adelphi student health insurance?

No. Only resident and international students are required to have health insurance. If you have proof of another policy, you can waive the school’s health insurance.

Important semester deadlines to waive student insurance:

• October 1, for students starting in the fall semester
• March 1, for students starting in the spring semester

The fall enrollment is a full-year policy. No refunds will be granted if the student remains for only half a semester and the policy remains in effect for the student for the full year.

All resident students and international students are automatically enrolled in the school health insurance policy, which is billed to the student account, unless proof of insurance has been provided and a waiver is completed. If students have their own insurance with comparable coverage and wish to waive the student health insurance, they must complete the online waiver at health.adelphi.edu/insurance. The deadline for waiving insurance for the fall semester is October 1; for new students in the spring, the deadline is March 1. There are no exceptions to the waiver deadline.
Visit the Health Services Center website at health.adelphi.edu/insurance for information about insurance, or students may contact the Health Services Center at 516.877.6000.

In order to attend classes, New York State requires students who were born after January 1, 1957, and who are registered for 6 or more credits, to provide the following proof of immunization:

- **Measles**: Two doses of live measles vaccine given no more than four days prior to the first birthday and, after 1967, physician-documented history of the disease, or a titer (blood test) showing immunity
- **Mumps**: One dose after 1968
- **Rubella**: One dose after 1968

An acknowledgment of meningococcal disease risks and either date immunization was received or date of refusal to receive vaccination: This can be done on the health history and assessment form or through the online response section under the CLASS system.

**Health History and Assessment Form**

All undergraduate students must submit a complete Health History and Assessment Form, which includes the meningitis response form and proof of required immunizations. The form, including a healthcare provider’s examination, must be completed, dated, signed and returned to the Health Services Center. Forms can be found at health.adelphi.edu/forms.

**Advisory**

All requirements for the Health Center must be handed in prior to the first day of the school year.

**Vaccine Availability and Cost**

The meningitis vaccine can be received at the Student Health Center for a fee. Please contact 516.877.6002 for more information, for questions related to cost and any other inquiries. For information on meningococcal disease, visit health.adelphi.edu/forms/meningitis.

**WORK-LIFE WELLNESS CERTIFICATE PROGRAM**

Health Services is happy to present the Work-Life Wellness Certificate Program. The Work-Life Wellness Certificate program is ideal for undergraduate students (but open for all students) who want to make the most of their college experience in preparation for becoming an engaged employee and alumnus.

Handling the transition from college to the workforce can create significant challenges for many individuals. This program will enable students to evaluate potential areas of need through a wellness survey. Students will then meet with wellness facilitators to learn about programs and services within the university to assist in developing skills to bring with them for life after college.

**Health and Wellness Peer Education Program**

health.adelphi.edu/peers

The Health and Wellness peer educators assist students through programming on various health and wellness issues. The peer educators are a diverse group of students who support and encourage health promotion for the individual student and the collective student body. They are overseen by a certified health educator, nationally certified through BACCHUS, and provide educational workshops, programs and resources throughout the academic year.

For information, contact the Adelphi Health and Wellness Peer Education Program at peereducators@adelphi.edu.

**CAMPUS SUSTAINABILITY/RECYCLING**

Featured in The Princeton Review’s Guide to 399 Green Colleges, 2018, Adelphi makes sustainability a priority—from the solar panels installed on Swirbul Library to sharing compost with our neighbors in Garden City.

**Water Filling Stations**

There are more than 80 water bottle filling stations located in various buildings on the Garden City campus and additional systems at two of Adelphi’s off-site centers. Reduce plastic bottle consumption and waste from landfills—while saving money—by filling a reusable water bottle with chilled, filtered water.

In November of 2015, a million bottles had been filled in these systems. For information about Adelphi’s Project Water, which includes a map for all bottle filtration system locations, visit students.adelphi.edu/water.

**Recycling**

Adelphi recycles not only cans, bottles and paper, but also ensures that hazardous waste is not mixed with inert refuse. The University recycles all fluorescent light bulbs, batteries and computer equipment. Cardboard is also sorted into separate containers.

The University has also revised its construction standards to include recycling of all construction debris and the use of environmentally friendly materials whenever possible.

A laser toner recycling program for the administration is facilitated by Adelphi’s Mail Room and our printing services partner, AM Exclusive. Inkjet toner should be returned by individuals to the vendor using a prepaid label which is usually included in the original box. Inkjet printer toner cartridges are recycled in all residence halls and in many academic buildings throughout the campus.

**UNIVERSITY POLICIES**

All students are expected to understand and abide by all University policies. University policies included herein are accurate at the time of publication review and subject to change. For a complete list of all University policies, as well as the full content of the following policies, refer to operations.adelphi.edu/policies.

**Code of Conduct**

This Code was revised on June 8, 2017, and supersedes all previous versions.

Adelphi University has a clear mission: Our University transforms the lives of all students by creating a distinctive environment of intellectual rigor, research, creativity and deep community engagement across four core areas of focus: Arts and Humanities, STEM and Social Sciences, the Business and Education Professions, and Health and Wellness.

The ability and freedom to teach, learn and develop depends upon appropriate opportunities and conditions in the classroom, in the residence hall, elsewhere on campus and in the greater academic community. The University has developed procedures and policies to safeguard this process and to maintain an environment conducive to the learning process.
Although no such document can be exhaustive, the purpose of a code of conduct is to set out standards of conduct, to give notice of expectations and prohibited behavior, and to identify the procedures the University may employ to resolve breaches of those standards. These policies and procedures are not meant to address simple differences of opinions or inhibit freedom of expression.

This Code applies to all members of the University community as well as all others on University premises.

**Code of Conduct Policy Regarding Weapons**

Unauthorized use, possession or storage of any weapon, whether or not a federal or state license to possess the weapon has been issued to the possessor. Persons who are licensed and obligated to carry firearms should obtain written permission from the Executive Director of Public Safety and Campus Transportation or designee to bear such on University premises or at University-sponsored activities. See Section 1 for the University’s definition of a weapon.

In joining the Adelphi community, I accept the University’s Statement of Academic Integrity and pledge to uphold the principles of honesty and civility embodied in it. I will conduct myself in accordance with ideals of truth and honesty and I will forthrightly oppose actions which would violate these ideals.”

The University has developed procedures and policies to support its mission as well as each community member’s freedom of expression. Freedom of expression is vital to our shared goal of the pursuit of knowledge. Such freedom comes with a responsibility to welcome and promote this freedom for all, even in disagreement or opposition. Adelphi University—in its mission to provide a quality education for students and to prepare them for a productive and civilized life—realizes the importance of a drug-free campus and is therefore strongly committed to the prevention of substance abuse.

To maintain an atmosphere conducive to this mission, the following policies, rules and standards have been implemented. They apply to all students, employees and organizations, and are in accordance with all applicable federal, state and local laws.

A biennial review of this program will be conducted to determine its effectiveness and suggest the implementation of changes to the program, if deemed necessary. This review will also ensure that the sanctions developed by the University are consistently enforced.

To read the entire policy on illicit drugs and alcohol, visit [adelphi.edu/drug](http://adelphi.edu/drug).

- The associate provost may choose to discuss the matter with the dean.

If the chair, dean or provost concludes that a grade was a result of arbitrary or capricious conduct on the part of the instructor, the student may be allowed to withdraw from the course. In the case of arbitrary or capricious conduct, the department or school may allow the substitution of another course to replace the course in question.

*All disputes concerning the accuracy of a grade must be raised within one calendar year.* Grade changes must first be signed by the instructor and then by the department chair and the appropriate dean before being submitted to the registrar.
