NEW STUDENT HANDBOOK 2017–2018
FOR ALL NEW STUDENTS: Whether you’re beginning in the fall or spring as a first-year student, as a transfer student, from around the corner or across the globe, this handbook contains information that will help you. Orientation information varies according to when you’re getting started at Adelphi.

WELCOME, NEW PANTHER!
We’re so excited to have you start at Adelphi!

We’re glad you’re joining us, because Adelphi students:
• Volunteer for worthy causes.
• Embrace leadership roles. Check out page 6 for the leaders who will help you.
• Cheer on our 23 NCAA Division II teams.
• Participate in campus clubs.
• Organize exciting events such as the spring concert.
• Engage in valuable internships.
• Benefit from so many more options.

The college experience is about to begin for you—both inside and outside the classroom. Academics are a top priority. Adelphi’s average undergraduate student-to-faculty ratio of 10:1 will help you succeed.

We also know your college years will provide opportunities to develop current or new interests, expand your understanding of the world, learn about social issues and, of course, have fun.

Get ready to:
• Meet new friends.
• Discover a different culture.
• Find a passion.
• Embrace new ideas.

Have any questions? As you read through the following pages, you will get some answers. Find out what you need to know before you get to campus.

So grab that school spirit. Put on your Adelphi sweatshirt, because we are thrilled to welcome you as our newest member.

Let’s go, Panthers!

“Orientation is your first glimpse at what college life is like. For me it’s an opportunity to make new friends, step out of your comfort zone and shape your next four years at Adelphi.”

–Brittany Willoughby ’18

FIRST-YEAR STUDENT (FRESHMAN) ORIENTATION FOR FALL SEMESTER—IT’S A MUST!

Discover Adelphi campus life to help make your transition to the University a smooth one. First-Year Orientation is the opportunity to make new friends, learn about the many services offered and register for your classes. Whether beginning as a commuter or a resident, what you’ll learn at Orientation will help you feel confident, focused and comfortable as you’re getting started at Adelphi. For detailed information about First-Year Orientation, visit getting-started.adelphi.edu.

Get ready to be a Panther. Here’s how in 10 easy steps:

**Step 1:** Visit getting-started.adelphi.edu, an important site for all students, and open First-Year Student link. (For spring first-year and all transfer students, see section on pages 4–6.)

**Step 2:** Follow the instructions to set up your Adelphi student ID and password.

**Step 3:** Click Orientation, select the session you will attend, and register online.

- **Session I**
  - June 28–June 30, 2017
  - (Wednesday–Friday)
  - or
- **Session II**
  - July 5–July 7, 2017
  - (Wednesday–Friday)

When registering for Orientation, there are just a few things to do:
- Confirm your major on the drop-down menu.
- Provide parent/guardian email addresses so the University can contact them with the link to register for Parent Orientation. They will need your Adelphi student ID number.

**Step 4:** Check your new Adelphi email account for your reservation confirmation. All University communications are sent only to this account, so this is a good time to start using your Adelphi email.

**Step 5:** Meet some of your peers before you even get here! Join the Accepted Students Facebook group, a place for you to meet other new students or ask questions of the representatives from the Office of University Admissions.

**Step 6:** Complete the online Language Placement Exam prior to Orientation—the earlier the better. Visit getting-started.adelphi.edu/language for instructions and requirements.

**Step 7:** Select and reserve your Saturday Explore New York trip during Welcome Weekend (August 26). Registration will open mid-July at adelphi.universitytickets.com. During First-Year Orientation, you’ll get additional details.

**Step 8:** Submit your Health History and Assessment/Immunization Requirement Forms.*

**Step 9:** Residential and international students: Waive insurance, once you have received your bill, if you already have adequate coverage from another source (parents, employment, etc.) Fall waiver deadline is October 1.

**Step 10:** Save the date! Sunday, August 27, 2017. Matriculation Day begins with a required book presentation followed by the formal Matriculation ceremony (students only). Bring your Adelphi ID card for swipe-in attendance.

*Adelphi needs proof of required immunizations. If you do not comply with the New York state mandated immunization standards, you will not be allowed to attend class and may be withdrawn from the University. For a list of the standards, see pages 13–14 or visit health.adelphi.edu.

**Orientation**

Who attends Orientation?
All first-year students (freshmen) who are entering Adelphi in the fall semester will stay on campus and attend a three-day Orientation during the summer. International students also attend an Orientation a few days prior to the beginning of their first semester.

Where is Orientation held?
All Orientation events are held on our Garden City campus. Upon arrival, once you check in, the Adelphi Orientation team will guide you from there. You’ll find a community dedicated to answering your questions and helping you every step of the way.

I’m a commuter. What about me?
All students—residents and commuters alike—reside on campus for the entire three-day Orientation program. This provides a perfect opportunity for students to bond with fellow classmates, begin to experience campus life, and explore the Adelphi campus and its resources even before classes begin. Many activities start early and end late, so staying overnight in the residence hall is a must.
What if I have questions?
Visit getting-started.adelphi.edu for updates on schedules, directions to campus and other helpful information. For additional questions, email orientation@adelphi.edu.

What do you do at Orientation?
During Orientation, there’s a lot of fun and you get essential information. Of course, the top priority is academics. First-year student registration is a key component of Orientation. You’ll have an opportunity to meet with an academic adviser, pick your classes and register for the fall semester. Not declaring a major? No problem. You don’t have to declare a major until your sophomore year.

Over the three days, activities are held throughout each day and evening, including, but not limited to:

- Finding out about campus life, clubs and organizations
- Scoring free spirit wear!
- Attending sessions on topics such as diversity, academic success and residential/commuter life
- Getting your Adelphi ID card
- Picking up your car decal (bring the vehicle registration)

Plus, there’s evening entertainment, social activities, Brown and Gold Games and more.

What about food?
All of your meals will be provided during Orientation. If you have any special dietary needs, please describe them when you reserve your Orientation session.

On day one of your Orientation session, you should arrive by 10:30 a.m., except students registered for any of the programs listed below. You will also get a postcard with the time and location to report to on your first day.

Honors College, Levermore Global Scholars, General Studies Learning Community, Pre-Professional Programs, and Collegiate Science and Technology Entry Program (CSTEP)
Students enrolled in any of these programs attend an information session just prior to First-Year Orientation. Check-in begins at 10:00 a.m.

First-year international students (fall semester)
First-year international students have an option to attend one of the summer Orientation programs. All new international students are required to attend an International Orientation program prior to the beginning of their first semester. For additional details, visit getting-started.adelphi.edu/international.

International students are contacted through email by the Office of Academic Services and Retention for academic advisement and course registration. For questions, students should contact the office at oasr@adelphi.edu or 516.877.3150.

First-year students in the Learning Resource Program
Students in this program attend Orientation Session II, July 5–July 7. You will receive special registration material directly from the Learning Resource Program. For questions, call the Learning Resource Program at 516.877.4710 or email lrp@adelphi.edu.

First-year students in the Bridges to Adelphi program
All new students entering this program will be registered for their fall classes prior to First-Year Orientation. Priority registration begins in June during one-on-one advisement meetings. For questions, call the Bridges to Adelphi office at 516.877.3665 or email bridges@adelphi.edu.

What to bring for First-Year Orientation:

___ Bedsheets and blanket (XL twin size)
___ Pillow
___ Shower shoes
___ Towels
___ Sleepwear
___ Comfortable clothing (indoor/outdoor activities)
___ Sweater and/or sweatshirt
___ Sneakers
___ Picture identification (permit, driver’s license, etc.)
___ Rain gear (You never know.)
___ Hair dryer (Optional—but you’ll know.)
___ Personal toiletries
___ Prescribed medicine, if necessary

Most activities are casual, so bring comfortable clothes. An Adelphi T-shirt is provided, but you may need some athletic shorts/pants for the Brown and Gold Games.

“Adelphi has given me the biggest gift I could ask for: the gift to learn more about myself without limits. Stepping onto campus makes me feel an overwhelming sense of comfort in my college home and drives me to be a better version of myself. Thanks to Adelphi, I have become someone who I would not have recognized two years ago.”

WELCOME WEEKEND
Friday, August 25 through Sunday, August 27

First-Year Students

FRIDAY, AUGUST 25—MOVE-IN DAY
(Resident students)
You’ll move into your residence hall on Friday between 9:00 a.m. and 3:00 p.m. There will be move-in day activities throughout the day and night! Forgot something? Don’t worry, bus trips to local stores are planned.

Parent Orientation
(First-year-student parents)
Parents attend their own Orientation session while the students enjoy games. The session will be held from 3:30 p.m. to 5:00 p.m. (For details, see section below.)

Reception for Students and Parents
(First-year students and parents)
Following Parent Orientation, from 5:00 p.m. to 6:00 p.m., students will join their parents for an opportunity to meet with University administrators and faculty.

SATURDAY, AUGUST 26—EXPLORE NEW YORK DAY
(All first-year students)
Join us to Explore New York. Choose and reserve one of the University-sponsored bus trips. To make your reservation (available in late July), visit adelphi.universitytickets.com. More info will be provided at Orientation.

SUNDAY, AUGUST 27—MATRICULATION AND SPIRIT DAY
(All first-year students)
A day filled with traditions—old and new. Show your Panther pride as we celebrate you!

Book Presentation and Matriculation Ceremony
(First-year students only)
The book presentation for the Adelphi Community Reads assignment will take place at 10:30 a.m. All first-year students are required to attend. Bring your Adelphi ID for swipe-in attendance.

Students will receive the assigned book during their summer First-Year Orientation program. If you are unable to attend the June 28 or July 5 session, contact learningcenter@adelphi.edu for alternative arrangements.

The Matriculation Ceremony follows the book presentation. This is a time-honored program at which first-year students are formally welcomed into the Adelphi academic community.

Spirit Day
Activities kick off with the Panther Picnic, which includes a photobooth, vendors, food, giveaways and more! So have fun with other new students, or catch up with your Orientation leader(s), meet your commuter assistant (CA) and/or peer assistant leader (PAL) as all students enjoy the Adelphi Spirit. The day ends with a pizza party, pep rally and laser light show!

Note: Various religious services will be held during Welcome Weekend. For the schedule, visit interfaith.adelphi.edu.

FALL SEMESTER CLASSES
When do I begin classes?
Now that you are a spirited Panther, you’re ready to begin your academics! Fall semester classes begin on Monday, August 28, 2017.

If, for an important reason, you are unable to attend the summer Orientation, in mid-July you will register with the Office of Academic Services and Retention. Contact the office at oasr@adelphi.edu or 516.877.3150.

FIRST-YEAR COMMUNITY ACTION PROGRAM (FCAP) (First-year students)
Sunday, August 19–Wednesday, August 23, 2017
What is FCAP?
FCAP stands for First-Year Community Action Program, a volunteer program that is held a few days prior to the first day of classes in the fall. All first-year students are eligible to apply, and selection is based on the application and an essay. Communication will be sent to your Adelphi email account. Space is limited, so watch for details about this program and apply early. Visit students.adelphi.edu/catalog/fcap for more information and to apply.

If I can’t participate in FCAP, are there other community service opportunities?
Absolutely! Adelphi prides itself on being the engaged university, and there are numerous volunteer opportunities, including walks, Relay For Life, blood drives, AdelphiCares Days of Service, Adelphi Gives Back Month and more. In fact, most clubs and organizations, and all Greek life organizations, have a philanthropic mission at their core. There are also volunteer opportunities during Intersession and spring break. Visit csi.adelphi.edu and open the link to Volunteer and Community Service Programs.

PARENTS

PARENT ORIENTATION
(Parents of fall first-year students)
Parent Orientation is scheduled for the first day of the students’ First-Year Orientation session, June 28 or July 5, 11:00 a.m. to 12:30 p.m., on either day.

If parents are unable to attend either of these dates, an additional session is scheduled for Friday, August 25, 3:30 p.m. to 5:00 p.m. Although the last session is scheduled on Move-In Day, it is not limited to parents of resident students.

For all sessions, parents will be contacted at the email address provided when the student registered for their student orientation, giving access and instructions for parent registration.
TRANSFER STUDENTS

Have questions? Here are some answers: Although you may have some idea of college life, whether you are starting at Adelphi in the Fall 2017 or Spring 2018 semester, we encourage you to attend the Transfer Transition program connected to your semester to find out about our University’s resources and programs. Follow these easy steps to get started at Adelphi.

Step 1: Visit getting-started.adelphi.edu, an important site for all students, open the Transfer Student link and register for Transfer Transition—fall students attend Tuesday, August 15. For students entering in the spring, the date will be determined and posted on this site sometime in December.

Step 2: Follow the instructions to set up your Adelphi student ID and password.

Step 3: Check your new Adelphi email account for your Transfer Transition reservation confirmation. All University communications are sent only to this account, so this is a good time to start using your Adelphi email.

Step 4: If you have taken language courses and will continue, complete the online Language Placement Exam prior to Transfer Transition. Visit getting-started.adelphi.edu/language for instructions and requirements.

Step 5: Submit official transcripts to the Office of University Admissions (if you have not done this already).

Step 6: Contact the Office of Academic Services and Retention at OASR@adelphi.edu to discuss your course registration for your first semester.

Step 7: Submit your Health History and Assessment/Immunization Requirements forms. (See pages 13–14.)

Step 8: Residential and international students: Waive insurance, once you have received your bill, if you already have adequate coverage from another source (parents, employment, etc.). The Fall 2017 waiver deadline is October 1; Spring 2018 deadline is March 1.

Step 9: Encourage your parent(s) to provide email address(es) for future communication about University events. Information is available by visiting parents-family.adelphi.edu/parents-association.

Step 10: Get ready to become involved at your new academic home. Sign up for MyAULife and get started!

Course Registration

As noted in Transfer Students steps 5 and 6, above, once you have met with an admissions transfer counselor and established which credits will transfer to Adelphi, contact the Office of Academic Services and Retention, oasr@adelphi.edu, to discuss your course registration for your first semester, advisement for future semesters and requirements for your degree.

TRANSFER AMBASSADORS

Transfer ambassadors are student leaders who successfully transferred to Adelphi University and now assist with providing fun, educational and interactive programming for new and returning transfer students. They are trained to provide support to, resources for, and advisement to transfer students who are in the process of acclimating to Adelphi University. Plus, they plan events throughout the school year.

TAU SIGMA HONOR SOCIETY

Mission

Tau Sigma is an academic honor society designed specifically to “recognize and promote the academic excellence and involvement of transfer students.”

By establishing chapters at four-year institutions across the country, we are able to recognize the academic achievement of the most outstanding transfers nationwide and, in the process, help universities better serve their transfer populations. Tau Sigma members (among the most accomplished transfer students on campus) are perhaps the greatest resource available to serve the current and future transfers at your institution. Adelphi’s Beta Lambda Chapter was founded in 2008.

“When transferring, my only expectation for Adelphi University was to attend class and go home. Boy, was I wrong! Adelphi, and the close community surrounding it, gives you endless opportunities to get involved and find your true colors. By getting involved, I have acquired an extensive knowledge and a wide variety of skills that will properly prepare me to enter the adult world upon graduation. You can’t find an experience like this anywhere else.”

**WHAT ABOUT HIGH SCHOOL COLLEGE CREDITS?**

**AP/IB and college courses in high school**

Be sure to have your AP/IB scores sent to the Office of University Admissions. If you are curious about whether you’ve earned the minimum score to receive credit at Adelphi, you can view our AP and IB equivalency charts at [academics.adelphi.edu/your-first-year/advanced-placement.php](http://academics.adelphi.edu/your-first-year/advanced-placement.php). If you took college-level courses as a high school student and you want to earn credit, please have an official transcript sent to the Office of University Admissions. It’s a good idea to take care of this prior to course registration, because you do not want to duplicate course work that has already been taken.

**Ensure your academic success!**

Students are encouraged to track their academic progress and degree requirements using Degree Audit. Go to eCampus and open the Services tab to the Degree Audit icon.

“The Admissions Ambassador program has given me opportunities that have challenged me, that have raised my confidence and that have offered me skills that are transferable to my career. The program has undoubtedly made one of the largest influences on my college experience and has helped me to develop, not only in the professional realm, but as a person.”

PRE-PROFESSIONAL AND JOINT DEGREE COLLEGE PROGRAMS

The Office of Pre-Professional Advising and Fellowships (OPPAF) provides assistance, information and advice for all students seeking a health-related career, including medicine, dentistry, physician assistant, physical or occupational therapy and many others, as well as help in going to law school and with both national/international fellowships and scholarships. In addition, the office has developed several early decision/joint degree programs with schools representing many of these professions that can provide an easier transition to specific graduate schools. For information, visit prepare.adelphi.edu.

WAYS TO GET INVOLVED

Make the most of your college experience through campus involvement. It’s a great way to become an active member of the Adelphi community and meet new friends.

How do I get involved in campus life?

There are so many ways. Here’s a brief go-to guide:

- Go to eCampus and check out MyAULife, Services tab.
- Get info on 80 organizations, including 17 Greek organizations and 20-plus honor societies, or start a new club if you have a different interest.
- Get ideas from your Orientation leader, peer assistant leader, resident assistant or commuter assistant.
- Volunteer for the University’s many community service projects.

Visit csi.adelphi.edu on MyAULife.

Student Employment

The Center for Career and Professional Development offers many opportunities for working on (or off) campus and getting involved.

- Welcome Back Block Party (September 6, 2017): On- and off-campus employment
- Handshake: Job search site—find out about internships, on-campus and off-campus employment, career events and services, seminars and more. Sign in to eCampus, click the Services tab and scroll down to the Job and Internship Search icon. Just follow the prompts for details about employment opportunities.
- America Reads/America Counts: Become a math or literacy tutor to children in nearby schools. (You must have Federal Work-Study, based on your financial aid package.)
- Panthers With a Purpose: Get valuable experience working at a nonprofit organization (Federal Work-Study required).
- Hire a Panther: Find on-campus jobs with experiential learning opportunities.
- Annual Job and Internship Expo (each spring): Meet with potential employers about jobs or internships.
- Résumé building, mock interviews, leadership development, career workshops and more
- Recruitment Now: Fall and spring—visit website for details.

Visit career-center.adelphi.edu for more details.

Note: International students cannot work off campus, nor are they eligible for the Federal Work-Study Program.

“Working on campus has greatly added to my incredible experience here at Adelphi. My job has given me many great opportunities, from having the ability to meet members of the Adelphi University Board of Trustees to networking with authors and speakers at various events. Through working on campus I have gained a mentor and now have had the ability to expand myself not just academically, but socially and professionally.”

Athletics and Campus Recreation

If you like sports, check out what Adelphi offers:

- Cheer on 23 NCAA Division II athletic teams!
- Try out for Adelphi Spirit teams—cheerleading, dance and hip-hop.
- Join one of our 13 sports clubs (or start your own).
- Play on intramural teams such as basketball, flag football, volleyball and soccer.
- Use the state-of-the-art fitness center in Woodruff Hall. (It’s free with an Adelphi ID.)
- Take a dip in the indoor pool, enroll in Learn to Swim classes or apply to become a lifeguard.
- Join a fitness class to learn yoga, Zumba, spin and Pilates—all are free with an Adelphi ID!
- Borrow sporting equipment at one of the checkout stations.
RESIDENT AND COMMUTER STUDENTS
RESIDENT STUDENT HOUSING INFORMATION

Office of Residential Life and Housing
housing.adelphi.edu
516.877.3650

How to get housing
If you want to apply for on-campus housing, you need to pay the $300 housing deposit, the $250 tuition deposit, and complete and return the University Residence Hall Agreement. To pay your housing and tuition deposit online, visit getting-started.adelphi.edu/deposit and follow the instructions.

Keep in mind...
• The sooner you file your Residence Hall Agreement, the more likely you are to receive a room assignment.
• Immunizations must be up-to-date and documented with Health Services, and students must be registered for classes prior to moving into the residence hall.
• Air-conditioned rooms have an additional cost and air-conditioning is only available during the hotter months.

Housing Agreement deadline: The priority deadline is May 1. Students who submit the forms by this date will be able to participate in the online room selection process.

New student online room selection process
After submitting your application, students submitting by May 1 will be given an opportunity to select a room assignment and roommate online. Room selections are final until after the first two weeks of the semester. This selection process is optional. If you do not participate, our housing professionals will assign you a room.

Your roommate
You will receive a housing assignment letter that will contain your room and roommate information during the month of July. It is a good idea to communicate with your roommate about what each of you will bring. The most up-to-date information is available by clicking the Housing Self-Service icon within eCampus.

Get ready to move in
New students move into residence halls on Friday, August 25, 2017, from 9:00 a.m. to 3:00 p.m. (Spring semester move-in date is Sunday, January 22, 2018.)

Packing tips
1. Packages will be delivered to the Mail Room in Post Hall and you will be notified via your Adelphi email account.

If you are ordering items to be delivered to your residence hall, please make sure the address is listed as follows:

ADELPHI UNIVERSITY
YOUR NAME
YOUR RESIDENCE HALL AND YOUR ROOM NUMBER
ONE SOUTH AVENUE, PO BOX 701
GARDEN CITY, NY 11530-0701

2. For some packing suggestions, check out the list of what to bring on page 11. Be sure to revise and add to your list as you pack. Save a copy of your list to help you pack for your future years.

3. Don’t stress if you get to Adelphi and realize you’ve left something at home. If you’re coming from far away, think about waiting to buy some things until you get here. The campus is near several large malls and shopping plazas, and the bookstore in the UC also sells items for your room.

4. Linens may also be ordered online through the Residence Hall Linens Program. This program supplies parents and students with a convenient solution for every college bedding need. For details, visit students.adelphi.edu/bedding.

5. Pack your things in containers that you can use around your room. A trunk makes a great coffee table or place to put your television. Colorful plastic crates can hold your books and clothes.

6. Consider packing your linens in duffel or even trash bags, which are easy to store in your room.

7. Talk to your roommate(s) before you get here. Not only is this a great way to get in touch with another student before the semester starts, but it’s a good way to avoid crowding your room with duplicate items.

8. Since there is no on-campus storage space, you might want to consider packing for one season at a time. If you don’t live that far from campus, you can pick up and drop off things throughout the year. If you live far away, you can ship home your winter items and have your spring/summer items shipped to you.

LIVING ON CAMPUS IN A RESIDENCE HALL

About Residential Living
There are seven distinctive residence halls at Adelphi: Chapman Hall, Earle Hall, Eddy Hall, Linen Hall, New Hall A, New Hall B and Waldo Hall. Each has a common area with a television, a kitchen area with an oven range, microwave and sink; vending machines; and free laundry facilities. Each room has beds, dressers, desks and chairs and is wired for cable television, Google voice and computer network access. Each resident student gets a mailbox.

Throughout the academic year, Residential Life sponsors seminars, workshops and events led by faculty, staff and non-Adelphi educators. For the safety of residents, all residence halls are locked at all times and students must...
have their Adelphi ID card to enter their residence hall. In addition, hall attendants sit at the front desk from the evening through the early morning. Any person entering the building must have an ID. Every hall has at least one resident assistant per floor. While classes are in session, every night, between 6:00 p.m. and 8:00 a.m., all residence halls will have an RA on duty. On Saturdays and Sundays, there is an RA on call in each building during the day and night.

Special housing needs
The Office of Residential Life and Housing is committed to meeting the needs of students who require specialized equipment or facilities. If you have an accommodation need, contact the Student Access Office at 516.877.3806 or email sao@adelphi.edu and complete and return the Residence Hall Agreement.

Special residential communities
Students may request a specific housing assignment on their Residence Hall Agreement based on their interests, academic needs or other aspects of their identity. Our current special residential communities include the First-Year Living-Learning Community, Gender Inclusive Housing and Honors College Suites. Assignments are based on room availability, and in cases of living-learning communities, an application.

First-Year Living-Learning Community
Be part of student life from your very first day at Adelphi! Earn credits while making friends and having fun. First-year students who select this program reside in Eddy Hall, which has an on-floor classroom and study lounge. For more information, visit housing.adelphi.edu/halls/housing-options.

When do I move into the residence hall?
For fall semester, all new students—first-year and transfers—move in on Friday, August 25, 2017, between 9:00 a.m. and 3:00 p.m.
Spring semester students move in on Sunday, January 22, 2018; time will be determined.

“As a resident assistant (RA) here at Adelphi University, being able to create not just a comfortable residence hall, but a home to my residents, has been the most rewarding experience I have been blessed to be a part of. It has helped me grow into a leader, not just on campus, but as a leader in my future endeavors as well—instilling qualities and skills necessary for life. There’s nothing I love more than being an RA!”

- Candles or substances used for burning (e.g., incense)
- Extension cords or outlet extenders (Surge protectors with an on/off switch are acceptable.)
- Waterbeds
- Tapestries, curtains and/or drapes
- Pets of all kinds—exceptions are:
  • Service animals (Contact the Student Access Office at sao@adelphi.edu.)
  • Fish contained in a properly maintained tank of no more than 10 gallons

OFF-CAMPUS LIVING

In order to further support student development, the Office of Residential Life and Housing facilitates opportunities for students to live off campus both through University-affiliated and nonaffiliated housing options.

Many Adelphi students, especially in their junior and senior years, as well as during their graduate studies, choose to live off campus for various reasons—increased autonomy, apartment-style living, opportunities to live independently or to facilitate a smooth transition to life after college.

Our services include housing options near Adelphi’s campus in Garden City, nearby on Long Island and near the Manhattan Center, with possible housing options in Manhattan and Brooklyn.

Visit housing.adelphi.edu/off-campus-housing for more information.

Visit housing.adelphi.edu/FAQ for more information regarding residential life as a whole.

COMMUTING TO CAMPUS

Quick Facts

- **Commuter assistants** are mentors who help your transition to college. (See the next section.)
- **Commuter Student Organization** is the advocate and voice for commuter students and their activities.
- **Commuter lounges and lockers** are available. Visit UC, Room 301, for information on free lockers.
- **Commuter Appreciation Week** is November 6–November 10, 2017, for the fall semester. Check csi.adelphi.edu for the spring Commuter Appreciation Week.

Will I be assigned a commuter assistant?

First-year students who choose to participate are matched up with a commuter assistant (CA) based upon a survey of interests. Your CA consistently communicates with you about schedules and meetings, and organizes social interaction through programs and events. Commuter assistants also hold frequent office hours in the Angela and Barry Zeman Commuter Student Lounge, located in the lower level of the Ruth S. Harley University Center. Visit students.adelphi.edu/ca.

“Being a commuter assistant is such a rewarding position! I am able to not only aid freshman commuter students in their transition from high school to college, but I am also able to watch them grow and develop into Adelphi students on campus throughout the year.”

FOOD

Adelphi has many dining locations around campus: from all-you-care-to-eat dining at Post Hall, two dining options in the Ruth S. Harley University Center, a smoothie bar in the Center for Recreation and Sports, a seasonal Panther Melts near Motamed Field, grab-and-go items from the Outtakes Market Express in the Science Building, the Paws Café in the Nexus Building and Panther Mart in Post Hall. In addition, most academic buildings have vending machines for quick snacks.

**Resident student meal plans**

All resident students are required to have a meal plan. It’s just up to you to decide your price range. You’ll choose your plan on your Housing Agreement. First-year students must have the gold, platinum or premium plan. New transfer students should check meal plan options on the Dining Services website. Visit dineoncampus.com/adelphi and click on Meal Plans.

**Commuter student meal plans**

Commuters may also purchase a meal plan, which saves tax dollars and, depending upon the amount, may have some added bonus dollars. It’s convenient for those times when you leave your money at home or are low on cash. Go to dineoncampus.com/adelphi and click on Meal Plans or contact the Adelphi Dining Services manager, at 516.877.3951, for details.

**Dietary needs or food allergies**

Call the food service manager, at 516.877.3951, to set up an appointment to discuss food options.

HEALTH, SAFETY, ACCESSIBILITY AND OTHER SERVICES

We’ve got you covered—with services, programs, resources and more—to promote the health and wellness of all Adelphi students. During each semester,
Adelphi University is required to maintain a record of the following for each student:

- A response to receipt of meningococcal disease and vaccine information signed by the student or the student’s parent or guardian. This must include information on the availability and cost of meningococcal meningitis vaccine (Menactra)

And either:

- A record of meningococcal meningitis immunization within the past five years

or

- An acknowledgment of meningococcal disease risks and refusal of meningococcal meningitis immunization signed by the student or the student’s parent or guardian

Meningitis is rare. However, when it strikes, its flu-like symptoms make diagnosis difficult. If not treated early, meningitis can lead to swelling of the fluid surrounding the brain and spinal column, as well as severe and permanent disabilities, such as hearing loss, brain damage, seizures, limb amputation and even death.

Cases of meningitis among teens and young adults 15 to 24 years of age (the age of most college students) have more than doubled since 1991. The disease strikes about 3,000 Americans each year and claims about 300 lives. Between 100 and 125 meningitis cases occur on college campuses and as many as 15 students will die from the disease.

A vaccine is available that protects against four types of the bacteria that cause meningitis in the United States—types A, C, Y and W-135. These types account for nearly two-thirds of meningitis cases among college students.

Vaccine availability and cost

- You may receive the vaccine at Adelphi’s Health Services Center. You must first contact the Health Services Center to schedule a visit with the nurse practitioner. Once approved for the vaccine, it will be ordered from the pharmacy and a follow-up appointment will be scheduled for administration of the vaccine. The cost of the meningitis vaccine will be charged to your student account. Currently, the price is $180, based on market pricing, and is subject to change.

Or, if your insurance covers the vaccine:

- You may receive the vaccine from any healthcare provider. The University works with Kevin Curley, M.D., in Mineola, New York. You must contact his office at 516.663.2051 to schedule an appointment, or you may contact your own physician.

The Meningococcal Meningitis Response Form is Part D of the Health History and Immunization Record Form. Complete and return it to the Adelphi University Health Services Center, Waldo Hall, Garden City, NY 11530, as soon as possible, but no later than the first day of class. You can also complete this form online. Log on
to eCampus and select CLASS under services. In CLASS, click on the Meningitis link on the left menu.

To learn more about meningitis and the vaccine, contact the Health Services Center and/or consult with your physician. You can also find frequently asked questions about meningococcal disease from the New York State Department of Health Bureau of Communicable Disease Control at health.ny.gov/publications/2168.

**To Do**

**Health insurance**

All resident and international students are automatically enrolled in the school's health insurance plan. If you have comparable coverage, you may apply for a waiver before the deadline of October 1 for the fall semester; any new incoming students for spring may apply prior to March 1. The coverage must meet the guidelines written on our website under Insurance Requirements.

**Important:** The insurance is available to any registered student—full, part time, graduate or undergraduate. In some cases, the cost for the Adelphi plan is less than other available plans. If you would like to enroll in the school plan, you may view the insurance information on the Health Services Center website or speak directly with a representative from our office or the insurance company. Applications for insurance must be done prior to the waiver deadlines—October 1 for the fall and March 1 for new spring students. Any student with a qualifying event may apply but must do so within 30 days of losing their current policy.

For additional information about all these services, visit health.adelphi.edu.

“The path to a healthy lifestyle begins with awareness and the Peer Education program has given me the opportunity to provide my peers with just that. We are here to educate, enlighten and point our fellow students in the right direction.”

**OTHER SERVICES AVAILABLE FOR YOUR WELL-BEING**

I had disability accommodations in my school. Do I get these services in college?

The Student Access Office provides cost-free assistance to Adelphi students with documented disabilities. Such disabilities include, but are not limited to, neurodevelopmental, sensory, mental health, physical, intersystem, temporary and multiple disabilities. Students seeking reasonable accommodations must complete and submit a Petition for Reasonable Accommodations Form with valid supporting documentation from a qualified medical or other licensed professional. Access the forms at adelphi.edu/sao.
What if I’m homesick or anxious?
Whether your home is just miles away or across the globe, homesickness is a natural and normal feeling. Anxiety about fitting in, making new friends and managing your time and course load is also very common. The Student Counseling Center can help. It provides confidential individual and group counseling, workshops and support services. And the services are free. For more information, contact scc@adelphi.edu.

You can also talk to your Orientation leader, peer assistant leader, commuter assistant or resident assistant. They are upperclass students who may have also felt the same way during their early days at Adelphi.

Religious services on campus
Adelphi is a nonsectarian institution and, while religion is a personal matter, the University provides spiritual services through its Interfaith Center, Interfaith Chapel and chaplains representing Catholic, Jewish, Muslim and Protestant faiths. Services and spiritual activities are provided on campus, and there are several faith-based student organizations that students can join to continue their religious practice—or to learn about another religion. For more information, contact auinterfaith@adelphi.edu.

Support services for underrepresented populations
Support, programming and discussions are provided by the Office of Multicultural Affairs within the Center for Student Involvement, as well as by the Adelphi University Mentoring Program. In addition, there are multicultural-based student organizations and departments that collaborate on programs to encourage awareness and to promote social justice. For more information, contact csi@adelphi.edu, or visit diversity.adelphi.edu.

What resources are available to international students?
With students who hail from more than 40 countries, Adelphi has an international flavor and encourages cross-cultural connections. The Office of International Student Services is the primary source of advisement, programming and assistance to international students. Additional support is provided by the Learning and Writing Centers, the Center for International Education, the Department of Communication Sciences and Disorders (accent-reduction workshops) in the Ruth S. Ammon School of Education, and various other departments around campus. Programs to promote sharing and understanding of customs and traditions are held by international or culturally based student organizations in collaboration with various campus departments. For more information, contact internationalstudentservices@adelphi.edu.

SAFETY

To Do
Emergency Notification System
Public Safety will automatically enroll you in the Emergency Notification System during your Orientation/Transfer Transition session. This enables the university to contact you about any emergency communications or closings. Once it’s set up, you can easily change your contact information—instructions are on the back of your Adelphi ID card—or visit safety.adelphi.edu/resources/emergency-notification.

Adelphi ID card
During your First-Year Student Orientation or Transfer Transition program, you will have an opportunity to get your Adelphi photo ID card. For both resident and commuter students, the card provides access to your meal plan, library services, the gym and resources in the Center for Recreation and Sports, as well as below-grade parking. For resident students, the card provides access to the residence halls. You can also get student discounts at various locations such as museums, etc. Obtaining and carrying an Adelphi ID card on campus at all times is required.

Parking decals
You need a parking decal to park your car at Adelphi University. Bring the vehicle registration to the Department of Public Safety and Transportation in Levermore Hall to get the car decal. You can register up to two vehicles; both registrations are necessary. Renew the parking decal by September 30 of each year; also, if you add/change cars, you will need to register the car and obtain a decal.

Annual Security and Fire Safety Report
Adelphi University’s annual security report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Adelphi University; and on public property within, or immediately adjacent to and accessible from, campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, hate crimes, sexual assault, including Title IX, domestic violence, dating violence, stalking, emergency operations plans, including evacuation procedures, annual fire safety report and fire log, Amanda’s Law and the Kerry Rose Fire Sprinkler Notification Act, missing student notification, timely and emergency notifications/warnings, and other matters. This report can be viewed by using the Public Safety website at safety.adelphi.edu or obtained upon request from the Department of Public Safety and Transportation in Levermore Hall.

In addition to these safety measures, Adelphi provides resources to students during First-Year Orientation and Transfer Transition. Campus Safety 101 provides students with important information about keeping safe. For information about how Public Safety promotes safety, visit safety.adelphi.edu/prevention-reporting.
GETTING AROUND

If you have a car, here are the parking regulations
Parking is free. However, there are some guidelines and suggestions in place, which may be subject to change. Off-campus parking is prohibited in the residential areas adjacent to the Garden City campus. For current guidelines, please consult the website safety.adelphi.edu/parking.

Parking restrictions for resident first-year and sophomore students
First-year and sophomore resident students are required to park their University-registered vehicles at the Garden City Pool parking lot (Field No. 9). These students must park at Field No. 9 from Monday through Thursday, 7:00 a.m.–7:00 p.m., but on Friday, Saturday and Sunday, parking is permitted on campus any time. Shuttle service to and from campus is provided.

Juniors and seniors
Even those who are new to Adelphi as transfer students may park their University-registered vehicles on campus. However, space availability may be limited, and it is recommended that students allow ample time before classes begin. (Or go directly to the Garden City Pool to park; just be sure to have a current Adelphi parking decal.)

Below-grade parking garages
There are two below-grade parking garages—one on the east side of campus near Motamed Field, which requires a current Adelphi ID card for access. An additional facility is adjacent to the Nexus Building. For both of these garages, the car must have a current Adelphi parking decal.

What if I don’t have a car?
Having a car may be a family decision, so we would like to provide some information about options:

- As a resident student, this is your home, and you don’t need a car to get around campus. However, for times you would like to go off campus, you can use the Panther Express, which is free shuttle service to local train stations, bus stations and shopping destinations.
- There is easy access to campus by the Long Island Rail Road (LIRR) and bus systems, so there are many commuters who use mass transit, as well as resident students who take advantage of Adelphi’s proximity to New York City and its nearby rail stations to explore New York.
- Another option is to use the Enterprise CarShare Program (see next section).

Enterprise CarShare program
For the convenience of getting to an interview, shopping in bulk or enjoying a day off campus, Adelphi recently introduced the Enterprise CarShare program, with two vehicles conveniently located on campus. Hourly rates are nominal and include insurance and gas. Plus, membership is available to all students, including international. For details, visit enterprisecarshare.com/adelphi.

DO I NEED TO BRING A COMPUTER OR PRINTER?

The following information may help with that decision, so please read carefully.

The Office of Information Technology provides ample general access workstations and kiosks in addition to specialty computer labs. Students receive an allotment of prints each semester and can add funds to their print balance as needed for black-and-white and color printing. Visit it.adelphi.edu/print for more information.

The 3D Studio in Swirbul Library offers students the opportunity to create original 3-D designs or print from downloaded models. Learn more at it.adelphi.edu/3d.

If you are looking to purchase a personal laptop or desktop computer, Adelphi students are eligible for educational discounts on Mac and PC systems, as well as software packages, through our website. For more information, visit it.adelphi.edu/buy.

You can also access many Adelphi services through your smartphone or tablet. Download the AU2Go app in the iTunes App Store or on Google Play. To learn more, visit it.adelphi.edu/au2go.

The Help Desk offers assistance with technology via email, online chat, phone or in person on the second floor of Swirbul Library.

For more information on all the services above and much more, visit the Technology Services Catalog at it.adelphi.edu/catalog.

GUIDE TO FINANCIAL AID
WHAT’S YOUR FINANCIAL PLAN?

Once you receive your financial plan summary (award letter), the Family Payment Calculator Worksheet included in your packet can help you estimate your out-of-pocket expenses for the year.

For more assistance with understanding your costs, please contact the Office of Student Financial Services at 516.877.3080 (phone), 516.877.3380 (fax) or email at financialservices@adelphi.edu.

HOW TO APPLY FOR FINANCIAL ASSISTANCE

Information on how to apply for financial aid is available at financial-aid.adelphi.edu/apply/fafsa. A financial aid check list for first-year students, outlining the process, is available on page 20 of this guide. A more detailed timeline of reminders and important dates is available for you at financial-aid.adelphi.edu/apply/continuing.

Contact the Office of Student Financial Services with any questions you may have concerning your financial aid and/or your billing statement.

DETERMINING ACADEMIC ELIGIBILITY FOR FINANCIAL AID

Students receiving federal and state financial aid are required to meet specific standards of academic progress. The charts used to determine a student’s eligibility for federal and state financial assistance may be found at financial-aid.adelphi.edu/resources/faq.

Student employment
As you review the Office of Student Financial Services information at financial-aid.adelphi.edu, be sure to check out the section on student employment. Having a job is not only a great way to cover personal expenses during the semester, but also a good opportunity to gain the skills and experience that will make you stand out to potential postcollege employers. For more information about Adelphi opportunities (both on and off campus) that may enable you to use your Federal Work-Study award, contact the Center for Career and Professional Development (career-center.adelphi.edu). A student whose financial aid package does not include Federal Work-Study may also apply for on-campus employment opportunities.

FREQUENTLY ASKED QUESTIONS

Where do I go for questions about tuition costs?
Tuition, general information on financial aid, billing and payment schedules all fall under the Office of Student Financial Services. Located on the lower level of Levermore Hall, you can contact this office or visit financial-aid.adelphi.edu. At this site, you can find out the schedule of office hours as well as important information about federal and state grants, federal and private loans, and links to websites with helpful financial aid tips, forms and advice. Adelphi offers many scholarships that reward a wide variety of talents and achievements, as well as need-based grants. For payment plan options, visit the site or office. The people in the Office of Student Financial Services are there to answer your questions. Ask away. You’ll be surprised at how many financial aid options are available.

When is the Free Application for Federal Student Aid (FAFSA) deadline?
First-year (freshman) students filing for the first time should file as soon as possible after October 1.

January 1 is the priority filing date each year for continuing Adelphi students.

What if I didn’t file the FAFSA?
If you haven’t filed FAFSA by the priority deadline, it is important to do so! To file online, visit fafsa.gov. If you or your parents file your tax return electronically, we strongly recommend that you use the IRS data import function that is available at fafsa.gov. By importing your tax data directly from the IRS, you will ensure correct information on the federal FAFSA and reduce your chances of being selected for the verification process.

For answers to many other financial aid questions, visit financial-aid.adelphi.edu/faq.
FIRST-YEAR STUDENT (FRESHMAN) FINANCIAL AID CHECK LIST

File the **Free Application for Federal Student Aid (FAFSA)** as soon as possible after October 1. If your tax forms are not yet completed, use estimated figures. Adelphi’s federal school code is 002666.

New York State residents should complete the **New York State Tuition Assistance Program (TAP)** application. There will be a link on your FAFSA submit confirmation page to the TAP application page. Our TAP school code is 0010.

Review your **Student Aid Report (SAR)** for any inaccurate items. Make corrections if needed. If estimated tax figures were used, amend your FAFSA to reflect the actual amounts. Promptly complete and submit all requested additional information and documentation.

UNDERSTANDING YOUR FINANCIAL ASSISTANCE PLAN

After you have filed your FAFSA and the required documents have been submitted, you will receive a Financial Assistance Plan Summary. Review this financial aid award letter and all accompanying materials. This plan outlines your eligibility for the different types of financial aid: scholarships and grants (free money), student loans (which must be repaid), and Work-Study.

Some types of financial aid require the completion of additional documents:

- Federal Direct Student Loan borrowers must complete entrance counseling and a master promissory note (MPN) at [studentloans.gov](http://studentloans.gov).
- Federal Perkins Loan and Nursing Student Loan recipients must complete a master promissory note (MPN) at [studentloans.gov/myDirectLoan/launchMpn.action](http://studentloans.gov/myDirectLoan/launchMpn.action). You will receive an email in August to let you know when the MPN is available to sign.
- Review your TAP award at [hesc.ny.gov](http://hesc.ny.gov) to make sure it has our TAP school code: 0010.

If you filed the FAFSA with estimated tax figures, and have now completed your taxes, correct your FAFSA with completed tax information. If eligible, you should utilize the **IRS Data Retrieval Tool (DRT)** available on the FAFSA website.

Explore the various payment options that are available, such as payment plans and loans.

WHEN WILL I GET THE BILL?

After you register for your courses each semester, you will receive a bill.

Log on to eCampus to review your bill. The bill will take into account any anticipated financial aid that you are expecting. If you are residing on campus, review the health insurance requirements. Pay special attention to any alert messages in eCampus.

If there is an outstanding balance, explore your options, such as Adelphi payment plans, Parent PLUS loans and/or alternative loans.

Visit [financial-aid.adelphi.edu](http://financial-aid.adelphi.edu) for helpful information and payment plans.

SAFETY FIRST

Colleges and universities are required under federal law to publish and make available an annual campus security report, which includes, among other information, statistics on campus crime. The crime statistics for all colleges and universities required to comply with this law are available from the United States Department of Education.

Adelphi University’s annual security report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Adelphi University; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, emergency response plan, timely warnings, fire statistics, missing students and other matters. The advisory committee on campus safety will provide upon request all campus crime statistics as reported to the United States Department of Education. You may obtain a copy of this report by contacting the Department of Public Safety and Transportation, Levermore Hall, Suite 113, 516.877.3500 or by accessing administration.adelphi.edu/publicsafety.

The United States Department of Education’s website for campus crime statistics is ope.ed.gov/security.

As a reminder, the back of any Adelphi University ID card provides you with weather advisory and alert numbers to obtain information on any possible delayed openings or school closings. To register for the University Mass Notification System, log on to eCampus (ecampus.adelphi.edu) and click on University Mass Notification System.
